## INDIANS FACE A SERIOUS CHARGE

WITHOUT GETTING A DIVORCE,  
OR GETTING MARRIED, COUPLE  
LIVE TOGETHER ON THE RES-  
ERVATION

Hiram Villard and Adele Chock-  
toot, two Klamath Indians, were ar-  
rested at the Klamath Agency and  
brought to this city yesterday by  
Deputy United States Marshal W. B.  
Griffith. They are arrested upon  
complaint of the woman's lawful hus-  
band, Clark Chocktoot.

Chocktoot charges that his wife  
left him over a year ago, and with-  
out getting a divorce from him, or  
being married to Villard, has been  
living with him: They will be taken  
to Portland to appear before the  
grand jury.

Just after noon today, Griffith  
brought to Klamath Falls another In-  
dian couple, charged with a similar  
offense. These are Brick Jim and  
Sarah Weeks, wife of Mike Weeks.

Jim and the Weeks woman have  
been living together for some time.  
Recently both began divorce suits  
against their former helpmeets. In  
both cases, desertion was charged.

A short time ago, the idea pre-  
valled among the Klamath Indians  
that all that was necessary for them  
to divorce the one they vowed to love  
and cherish, was to tear up the mar-  
riage license or certificate. This  
landed quite a number before the fed-  
eral grand jury, as some of them took  
other wives after this form of sep-  
aration.

## Political Enemies on Same Platform

NEW YORK, May 23.—When

Theodore Roosevelt, William B.  
Hearst and Governor William Sulzer  
stand on the same platform at Car-  
negie hall, this city, May 28, to speak  
for direct primaries against Tammany  
Hall and the state Democratic organi-  
zation, the old adage that "politics  
makes strange bedfellows" will have a  
forcible illustration. Governor Sul-  
zer, having broken with the organiza-  
tion of his party in New York state,  
decided to make a fight on it, using  
direct primaries as the issue. The  
legislation in control of the state or-  
ganization, of which Charles F. Mur-  
phy is the leader, adjourned with-  
out passing the kind of direct pri-  
mary measure the governor wanted.

At once he announced a call for a spe-  
cial session, and said he would take  
the stump to arouse public opinion to  
force Democratic and Republican  
members alike to accept a bill in the  
extra session.

He invited co-operation from all  
parties of men, especially asked  
Messrs. Roosevelt and Hearst. Both  
accepted.

Sulzer spent 18 years as a member  
of the House of Representatives from  
a strong Tammany district of New  
York city, and it was seldom he op-  
posed Tammany. At the same time  
Roosevelt was one of the staunchest  
Republicans, spending seven years of  
the time as a Republican president.  
He had no more use for Sulzer than  
for any other Democrat in those days.

Hearst had not fought Sulzer,  
though he had at times bitterly op-  
posed Tammany Hall, of which the  
present governor was a member. But  
Roosevelt and Hearst have been bit-  
ter political enemies. When the edi-  
tor was the Democratic candidate for  
governor in New York state in 1906  
against the present supreme court  
justice, Charles E. Hughes, President  
Roosevelt sent his secretary of state,  
Elihu Root, to Utica to make a Re-  
publican speech. Root's attack on  
Hearst created a sensation. It was  
bitter and personal, going much  
farther than most political addresses.  
It cost Hearst thousands of votes.

Now Governor Sulzer, Independent  
Democrat; Roosevelt, leader of the  
Progressives, and Hearst, creator of the  
Independence league, will war on  
Murphy and William Barnes, Jr., the  
Republican state leader, who is also  
blamed by them for the defeat of the  
direct primary bill.

## MOMYER WANTS ARANT'S PLACE

PRESENT CRATER LAKE PARK  
RANGER WOULD BE SUPERIN-  
TENDENT—CIRCULATES PETI-  
TION IN ASHLAND

ASHLAND, May 24.—H. E. Mom-  
yer of Klamath Falls was in the city  
this week, and met a number of citi-  
zens whom he interviewed in regard  
to his prospects for being appointed  
superintendent of Crater Lake park,  
to succeed Superintendent Arant. It  
seems to be generally conceded that  
Mr. Arant will be removed, and it is  
thought that the position will be  
given to some worthy Democrat un-  
der the present administration.

Mr. Momyer is a Democrat and ap-  
pears to have a good record and rep-  
utation among his acquaintances. He  
has worked under Superintendent  
in the park for a sufficient length of  
time to be familiar with the needs  
and what is required of a superin-  
tendent.

There has been a movement afoot  
to put W. G. Steele of Portland in as  
superintendent. This move is not  
looked upon with favor by people in  
southern Oregon. Mr. Steele is at  
the head of the Crater Lake company,  
which exploits the park for tourists'  
traffic, and is not a southern Oregon  
man. His efforts to become superin-  
tendent are looked upon as efforts  
on the part of Portland to make the  
lake a Portland asset.

As Portland apparently has no use  
for southern Oregon except to drag  
something out of it, and put nothing  
into it, the movement in favor of Mr.  
Steele doesn't appeal to the people of  
this part of the state.

## Baseball Star Quits Playing That Game

Arthur Shafer, affectionately "Ar-  
tie" to the fans of the New York  
Giants, National league pennant hold-  
ers, one of the most promising young  
players of several seasons, has quit  
baseball because of his love for his  
friend, Fred Snodgrass, utility man of  
the same club. That is the interp-  
retation his friends place on his strange  
desertion of the club.

Shafer, who has a wealthy father  
in the automobile business in Los An-  
geles, has long been a friend of Snod-  
grass, who also lives there. When  
the present season opened Manager  
McGraw placed Shafer at short, and  
he has done some brilliant work in  
the position. His batting average up  
to his last game was .296, which is  
pretty high for a youngster of 21  
years. Once in a while he was erratic  
and missed some easy plays. Lately  
he was sent to center field, a place  
once filled by his friend Snodgrass.  
As long as Shafer played there there  
was no chance for Snodgrass to get  
into the game. Since Shafer is of  
emotional temperament and given to  
strange fancies his friends believe  
that his chief motive in quitting was  
to give Snodgrass a chance. Shafer  
is a college graduate, having gone  
through one in Los Angeles. He  
comes from a good family and does  
not find it necessary to work at base-  
ball to make a living.

## Good Blood Means Good Health

A clear, healthy skin, full of life and color, reflecting perfect health  
and energy, has long been known to be a business and social  
asset.  
If you are not the fortunate possessor of all the above—if you are  
suffering from skin eruptions of any description, it means that  
the blood is weak.  
WHEN IT BECOMES IMPOVERISHED—THIN AND WATERY—IT  
CANNOT SUPPLY PROPER NOURISHMENT, AND THE  
BODY TISSUES BECOME DISKASED.  
This condition is every ready to manifest itself, and should be  
checked and treatment started with the first appearance of  
blood disorder.  
In our estimation Nyal's Hot Springs Blood Remedy is the one best  
treatment. It gets at the root of the trouble, cleanses the blood  
impurities, increases the circulation, produces blood that is rich  
in nourishment—blood that is rich in nourishment—blood that  
will build up broken-down tissues.
