Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, but

Handicapped

This is the Case With Many Klamath Falls People

Too many Klamath Falls citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief, but cannot reach the cause if the kidneys are weak. To eliminate the pains and aches of kidney backache you must cure the kidneys.

Doan's Kidney Pills are for disordered kidneys. The following statement should convince every Klamath Falls reader of their efficiency.

G. M. Jones, 1404 N. Central ave., Medford, Ore., says: "I found Doan's Kidney Pills especially adapted to my case. My back was very stiff and painful, and I had other annoying symptoms of kidney trouble. Doan's Kidney Pills brought me prompt relief, and since taking them my health has been much better. This remedy has earned my endorsement."

GRAY HAIR TURNS ITS NATURAL COLOR AFTER APPLYING SAGE TEA

Mixed With Sulphur, It Darkens Beautifully and Takes Off Dandruff

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also cures dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, but

It's usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural color and beauty to the hair and is the best remedy for dandruff, dry, feverish, itchy scalp and to stop falling hair.

Folks like "Wyeth's Sage and Sulphur" because no one can possibly tell that you darkened your hair, so it does it so naturally and evenly, says a well known down town druggist. You dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. This requires but a few moments. By morning the gray hair disappears and after another application or two is restored to its natural color and looks even more beautiful and glossy than ever.
