TRACT FOR THIS IMPROVEMENT AUGUST 4—WILL HE MACADAMIERD

The city council has commenced advertising for bids for the improvement of Tenth street. The bids will opened August 4th.

Tenth street is to be macadamised from Main street to Prospect street, and there is considerable grading to be done. This is one of the principal thoroughfares, and it is the only means of entry for Shippington people.

In addition to the macadamising, storm sewers and guttern are to be put in.

WASHINGTON, D. C., July 19.— of rollef. Speaking of the relation projects may look for further relief in the matter of extended times tify special consideration for payments is the general belief to those who have gone upon during the regular session of congress the coming winter, in the form of legisaltion proposing deferred payments on lands about as recommended by those who attended the recent conferned water users in this city.
