WISCONSIN HAS NEW FIGHT LAW

**MEASURE EFFECTIVE TODAY IN
PATTERNER AFTER THE MUC-
CUMFUL FRAWLEY LAW IN
NEW YORK STATE**

United Press Service
MILWAUKEE, Wis., Aug. 5.—Wis-
consin today takes her place as a
"fight state." The new law legalizing
boxing under the supervision of three
commissioners, who are empowered
to enforce the new law, goes into ef-
fect today. The new law follows closely
the provisions of the Frawley law in
New York. Heavy penalties are
provided for infractions of any sec-
tion of the law. Some of the provi-
sions of the new statute provide for:

A commission of three members,
two to be appointed by the governor,
and these two to appoint a "sec-
retary," who will be a member of the
commission.

A license fee of \$2,000 for all box-
ing clubs.

Each club must employ a licensed
referee.

The building in which the fights
take place must be leased for at least
one year.

All bouts are limited to ten rounds.
Five ounces is the minimum weight
of the gloves used.

All fighters must be at least 15
years of age.

Fighters must be examined by a
physician and the referee before all
bouts.

In case of accident the physician
and referee will be held accountable.

**GRAY HAIR TURNS ITS NATURAL
COLOR AFTER APPLYING SAGE TEA**

Mixed With Sulphur, It Darkens
Scientifically and Takes Off
Dandruff

Almost everyone knows that Sage
Tea and Sulphur, properly compound-
ed, brings back the natural color and
lustre to the hair when faded, discol-
ored or gray; also cures dandruff, itching
scalp and those falling hairs.
Years ago the only way to get this
mixture was to make it at home,
which is messy and troublesome.

Nowadays skilled chemists do this
better than ourselves. By adding to
any drug store for the ready-made
product—called "Wyeth's Sage and
Sulphur Hair Remedy"—you will get a
large bottle for about 50 cents.
Some druggists make their own, but

New Photos of Eldest Daughters of the Czar of Russian Domains

New Photographs just taken of the
family of the Czar of Russia show
the family to be as sad and sorrow-
ful as reports have indicated. Here
are the two eldest daughters, the
Grand Duchess Olga on the left, nearly
19 years of age, and Tatiana on the
right, just turned 16.

The characteristic of sadness was
shown in recent photographs of the
little czaritch which have recently

come to the United States. Whether
this is a constitutional trait derived
from their mother, or is due to the
danger in which the Romanoffs live,
is not known, but it is very marked
in the children as they grow old
enough to show their dispositions.

Grand Duchess Olga has the hon-
orary title of chief of the Third Regi-
ment of Hussars of Elisabethgrad,
while her sister is chief of the Eighth
Regiment of Uhlans of Voennessensk.

of the nuisance ordinance, now under-
going a course of treatment. Coun-
cillman Matthews brought the matter
to the attention of the other members
last evening, and all heartily agreed
that it was high time some steps were
taken toward compelling those who
through lack of public spirit or some
other cause, allow a rank growth of
weeds on their property and along the
sidewalks in front of their homes.

The ordinance will also declare it a
nuisance for anybody to leave snow
on their sidewalks in the winter time.
The need of an ordinance compelling
people to keep the sidewalks free of
snow has long been felt here.

PHOENIX, Ore., Aug. 5.—High-
balls made of plain water are today
a thing of the past in Phoenix. Even
the home-made variety can be made
just as "phizy" and sparkling as the
regular highball by turning on the
kitchen spigot, for today the city wa-
ter department turned on the water
supply drawn from a new well which
contains highly carbonated mineral
water.

Experts who superintended the
drilling for the new well say the sup-
ply will last the city for years.

UNITED STATES

Has NON-RUSTING SKIMMING SECTIONS

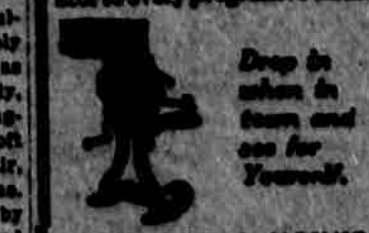

*The use of nickel silver in the
skimming sections of the
United States Cream Separator
is the most important separator
improvement in a decade. They
are found only in United States
Separators.

Nickel silver skimming
sections will not rust under any
condition. Neither wear nor
water rust them.

Nickel silver skimming
sections are easier to clean than
tin-plated steel. Nickel silver
is non-adhesive, milk and dirt
sticking less tightly than to
other metals.

Nickel silver is the strongest
and most durable metal known
for use in skimming sections.
Long service is assured to every
U. S. Separator user.

The importance of nickel
silver as a time-saving and
sanitary feature recommends the
United States Cream Separator
to every progressive farmer.

**PURCHASE OF TRACT ON THE
THE WATERSHED OF THE OHIO
RIVER IS COMPLETED—IS A
FLOOD PREVENTIVE**

United Press Service

WASHINGTON, D. C., Aug. 5.—
The first government forest to be ac-
quired upon the watershed of the
Ohio River has just been approved
for purchase by the national forest
reservation commission. This pur-
chase is included in what is known as
the Monongahela area, and the
commission considers it an important
one since the Ohio is one of the most
used navigable streams of the coun-
try. Last year the Pittsburgh flood
commission made a special study of
reforestation at its headquarters.

Four areas in all are approved, in-
cluding the Monongahela, and making
up the largest set of purchases passed
upon at any one time by the commis-
sion. They aggregate 115,905 acres,
and bring the total of all the national
forests in the East up to 115,415
acres. Of this amount about 300,000
acres were acquired during the fiscal
year ending June 30, 1912, and 400,
000 during the fiscal year ending
June 30, 1913.

QUET TONIGHT**

United Press Service

ST. LOUIS, Mo., Aug. 5.—St. Louis
Bull Moons will tonight celebrate
the first anniversary of the birth of
the new Progressive party with a ban-
quet at Suburban Garden. William
K. Cadmus, national organizer of the
party, is expected to be the principal
speaker.

Several who took a prominent part
in the formation of the new party at
its first convention in Chicago last
summer, are expected to attend and
make addresses.

Hundreds of messages from all
over the country poured into local
headquarters today, offering congrat-
ulations and prophesying victory for
the party four years hence.

United Press Service

NEW YORK, Aug. 5.—National
headquarters of the progressive party
today was swamped with messages
from all over the country, which pre-
dicted "long life and prosperity" for
the baby party which was born just
one year ago today in Chicago, when
the organizers met in their first con-
vention at Chicago, which resulted in
the nomination of Theodore Roosevelt
and Governor Hiram Johnson of Cal-
ifornia for president and vice presi-
dent.
