Fred Burscough, who some time ago stabbed his wife with a butcher knife after terrorizing C. D. Wilson's road crew, and then made several attempts to kill himself, was arraigned in the justice court this afternoon, charged with assault with a dangerous weapon.

Burscough entered a plea of not guilty. His trial was set for 9 o'clock Tuesday morning by Justice of the Peace E. W. Gowen, and in default of \$750 bonds Burscough was remanded to jail.

Mrs. Burscough is here from Fort Klamath, where she was taken when injured.

Fall High-Gill, state highway engineer from Missouri, where he investigated the good roads movement there, state officials today formally urged the inauguration of a good roads day here similar to that recently held in Missouri, where Governor Major deposed overalls and worked on the roads. It was pointed out that Governor Hodges of Kansas will hold a good roads day in that state. Governor deposed overalls and worked with Governor Major at the latter's request, and both were "swept" while at work by the moving picture machines.

# TOWN TOPICS

Big Improvement.—Dr. J. J. Otey and wife are taking their annual honeymoon motoring about Klamath county and parts of Blakely. Seven years ago Doctor Otey brought his bride to Klamath on their first honeymoon, and since then, with one exception, it has been an annual event. Each year the Doctor declares he notes such improvement over the year previous.

Mill Trying.—If there be efficacy in "try, try again," surely E. H. Lawrence will land a deer this time. He left this afternoon for the happy hunting ground, accompanied by V. Walker and Frank Potnesil.

Deer Hunters Home.—Fred Noel Louie McClure and Paul Noel returned Friday night from their two weeks' hunting and berrying trip. One big buck, a quantity of delicious huckleberries and a triple-ply coat of tan was the tangible evidence of the trip.

Going for a Hike.—A hike on the beautiful west shore of Upper Klamath Lake toward McCornack's is the Sunday out arranged for tomorrow by Mrs. A. L. Morris, Mrs. Lannart, Miss Ruth Morris and Miss Mildred Lannart. Edmund Gowen Jr. will be chauffeur of the wheelbarrow containing the camping outfit.

Enjoyable Party.—In honor of Hon. Lionel R. Webster, Circuit Judge Benson and wife last evening entertained a number of friends at their residence, the guest list including Mr. and Mrs. Robert M. Richardson, Mr. and Mrs. Clarence O. Morgan, Mrs. Gibson, Mr. and Mrs. George Chastain, Mr. and Mrs. Don J. Sumwalt and Rev. and Mrs. Geo. H. Fesse. The evening was highly enjoyable, and musical numbers were rendered by Mrs. Sumwalt and Miss Louise Benson.

# JOHNSON'S JOB THE BIG THEME

DEMOCRATS AND REPUBLICANS ARE SEARCHING FOR TIMBER TO BE OPPOSED TO CALIFORNIA'S GOVERNOR

United Press Service WASHINGTON, D. C., Aug. 22.—Tim Spellacy of Los Angeles is picked by the Washington end of the California democrats to be the primary choice to contest the governorship with Hiram Johnson next year.

Spellacy can afford to make the run, he is considered strong with the people at the South who habitually roll up big majorities for the progressives, and he is expected to retain in the North the leadership of his ticket scored at the polls in 1910.

That Governor Johnson will be renominated is the opinion of Representative Stephens, Bell and Nolan, progressive, and, indeed, the whole California delegation here. Representative Knowland, a regular republican, who at one time hoped to succeed Senator Perkins, admits that the chances are all in favor of the reelection of the Johnson ticket. Representative Curry is the only dissenter from this view, although the democrats won't talk about it.

Representative Baker believes that the only possible chance of defeating Johnson is through an alliance of the Taft republicans with the democrats, such as occurred last year. In that case Spellacy is considered the most available nominee. Fred Hall of Bakerfield will be opposed by the labor interests, and J. B. Curtin is not taken seriously. Bell is permanently out of the running. J. B. Davis, newly installed as collector at San Francisco, would not accept the responsibility of beating the governor. So Spellacy seems to be marked for the job.

# Sale of Socialistic Papers Prohibited

United Press Service SEATTLE, Aug. 22.—The sale of socialistic papers and literature in the downtown section of this city was today permanently prohibited by an order of Superior Judge John Humphreys.

In addition the order made by the jurist makes it an offense to conduct street meetings in that part of the city.

"If the socialists there want papers or literature, they can get them from their friends," said the judge from the bench.

## SPEAKERS SEE DISARMAMENT

TREND OF ALL THE ADDRESSES GIVEN AT THE HAGUE CONFERENCE TODAY ARE TO THAT EFFECT

United Press Service THE HAGUE, Aug. 22.—Disarmament by all nations in the near future and the submission of all international questions to arbitration was the theme of all speeches today at the closing plenary sessions of the Twentieth Universal Peace Congress, which has been in convention at the Ridderzaal since Monday.

Today's speakers were enthusiastic over the progress made by the Peace Congress during the last two years. Following adjournment all the delegates went by special train to Alkmaar as guests at a luncheon.

# SAGE TEA BEAUTIFULLY DARKENS THE HAIR WHEN FADED AND GRAY

Shed With Sulphur, Makes the Hair Grow. Some druggists make their own, which is usually too sticky, so insist upon getting Wyeth's, which can be depended upon to restore natural color and beauty to the hair, and is splendid for dandruff, dry, feverish itchy scalp and falling hair.

A well known downtown druggist says his customers insist on Wyeth's Sage and Sulphur, because, they say, it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a sponge or soft brush and draw it through your hair, taking one strand at a time. Do this at night and by morning the gray hair disappears; after another application or two it is restored to its natural color and looks glossy, soft and abundant.

Get the brewing at home is money and out of date. Nowadays skilled chemists do this better than ourselves. By making at any druggists for the hair-to-use product, called "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle for about 50 cents.

## A BIG BUNDLE OF CURRENCY

is a pretty dangerous thing to display or to be known to be about you. But a check book of the First Trust and Savings bank is never a temptation to violence. It is of no use except to the owner.
