Idaho's Gunners Win Navy Championships

NEWPORT, R. I., Sept. 17.—From the great mast of the U. S. S. Idaho there flies a little triangular pennant that the officers and crew gaze upon with proud reverence. For this is the badge that announces to the world that the Idaho, in a contest with the dreadnaughts of Uncle Sam's fleet, has proven herself the peer of all. From the torpedo boat Whipple and (when it is above water) from the submarine A-2 float similar banners, showing that they are the cracks of their divisions. The navy has just finished its annual battle practice, and the standings have been added up. Gunnery and engineering—shooting and boatmanship—have been the trials, and the rivalry and efficiency of this year have eclipsed all the others. In the battleship class the Idaho, with a score of 94.652, leads in both but the Utah, 100 per cent in engineering, as against 87.818 which the Idaho got, scored as the best hand-died craft. The Idaho's perfect gun score of 100, as against the Utah's score of 80 per cent, won it the margin, however. The other vessels in the first division were: Michigan 85, New Hampshire and Florida 78, and Maryland and Delaware 77. In the torpedo class the Whipple scored 95.892 per cent. The Ammon, Truxton, Stewart, Benle, Joust and Warrington all ranged from 85 per cent to 80 per cent in gunning and engineering. In the submarines the scores were low, ranging from 69 down to 19 per cent. F-3 made 100 per cent in gunning, but was not awarded the pennant.

Your Kidneys Klamath Falls Residents Must Learn the Importance of Keeping Them Well Perfect health means that every organ of the body is performing its functions properly. Perfect health cannot be enjoyed if the kidneys are weak and disordered. Thousands testify that Doan's Kidney Pills have a reviving action on weak kidneys. What this remedy has done in so many cases of this kind is the best proof of its merits. Read the following. It's testimony gratefully given by an Ashland resident: I. H. Dyer, 77 Pine street, Ashland, Ore., says: "For five months I suffered from kidney trouble. The kidney secretions were unnatural. I had pain that extended from the small of my back into my shoulders and my head ached. My appetite failed and the kidney secretions contained sediment. Nothing helped me in the least until I used Doan's Kidney Pills. They not only rid me of kidney complaint, but made me feel better in every way."

Women Make First Arrest Mrs. Nellie Cameron, 23 years old, was the first woman to be arrested by Chicago's women police. Officers Margaret Wilson and Margaret Butler charged the woman with speaking to men on the street. They rang for the patrol wagon and sent the prisoner to jail. Aeroplanes and dirigibles are to be used for offensive and defensive forces as well as for scouting by the French army. The French government is preparing to use aircraft on an extensive scale for military purposes.

FREE SOUP IS FURNISHED CREW

CANNERY AT TALENT MAKES A WHOLESOME ADDITION TO THE COLD DINNERS CARRIED BY THE WORKERS

TALENT, Sept. 17.—The Bagley Canning company has made a big hit with its workers by furnishing free soup to all who bring their dinners and furnish a cup. The soup is made at the cannery under the supervision of Mrs. A. R. Estes, and is cooked by a steam coil in the kettle in which the soup is made. It makes a welcome addition to a cold dinner. Great German manufacturers are anxious to have the German government revoke its edict that Germany would not exhibit at the Panama-Pacific exposition to be held in San Francisco. It is reported in Germany that if President Wilson will solve the canal treaty problem England will reconsider and make an exhibit.

According to the latest London styles, X-ray shoes are soon to be worn. X-ray shoes have uppers of Irish crocheted lace. For outdoor wear the shoes have shallow galoshes of suede kid surmounted by lace. What is known as the polar regions cover 4,970,265 square miles, and have 200,000 inhabitants. A suspension bridge with a main span 2,700 feet long is proposed for the Mersey River at Liverpool. Herald Want Ads bring results. CLEVELANDERS HONOR DOBBIN

ANNUAL EQUINE DAY IS BEING CELEBRATED IN TOM JOHN-SON'S MUNICIPALITY—BIG PROCESSION

United Press Service CLEVELAND, Sept. 17.—Every horse in Cleveland had his day today. The annual work horse parade was held here this afternoon, and thousands of horses were in line. The parade has become a yearly event ever since the big turnout of work horses in the Labor Day parade of 1911. After that it was decided that the horse should have a day all his own. The parade was almost three miles in length. Prizes were awarded to the best kept horses in the various classes. Industrial exhibits and artistic floats featured the parade. Turkish cavalry has taken the town of Xanthi, near the port of Dedegath, on the Aegean sea. The Bulgarian garrison withdrew. According to the latest London styles, X-ray shoes are soon to be worn. X-ray shoes have uppers of Irish crocheted lace. For outdoor wear the shoes have shallow galoshes of suede kid surmounted by lace. What is known as the polar regions cover 4,970,265 square miles, and have 200,000 inhabitants. A suspension bridge with a main span 2,700 feet long is proposed for the Mersey River at Liverpool. Girl Learns That She Had Eloped With Her Dad

BERLIN, Sept. 17.—Fraulein Myra Goersen's father, a wealthy manufacturer of Treptow, having refused to let her marry Jacob Xavier, his former clerk, the young lovers planned to elope. Her father discovered the plot, but craftily kept silent. At the appointed midnight Myra stealthily opened the hall door and into a waiting motor car, at the wheel of which, much muffled up, sat, as she supposed her Jacob. With his finger to his lips he quietly steered the car out into the darkness. After an hour's ride the machine came to a sudden stop—at Myra's own door. Her companion stepped out, removed his goggles, and laughed. It was her father. Just then another car dashed up, bringing the real Jacob, whom Papa Goersen has misled as to the hour by a fake message. Myra promptly decided that a lover who was so stupid, would probably bungle matters as a husband, dismissed him on the spot, and entered the house obediently on her father's arm.

Resolutions of Condolence Our Father has, in His infinite wisdom, seen fit to take from us our dearly beloved sister, Frankie Moore Hammond, who departed this life September 4, 1913. Whereas, In the death of Sister Hammond, her husband has lost a loving wife, her daughters a kind and loving mother, the community a highly respected, noble woman, loved by all whose good fortune it was to have known her, and as Prosperity Rebekah Lodge has by her death lost one of its ardent members, the light of whose life cast a ray of sunshine wherever she went and whose cheerful words and pleasant smile helped to soften the asperities and lighten the hearts of many in their hours of sorrow and trial. Therefore, be it Resolved, That we extend to her husband and daughters our heartfelt sympathy in the loss of one nearest and dearest to them whose place in their lives can never be filled. Resolved, That a copy of these resolutions be spread in full upon our records, a copy, sent to the Pacific Odd Fellow, one to the Evening Herald, and that our charter be draped in mourning for thirty days in memory of her. ALICE GOELLER, AMY WEDON, IVY NORTH, Committee.

Further notice is hereby given that at any time before twenty days after the first publication of this resolution the owners of more than one-half of the property affected by such change of grade may make and file with the police judge a written objection or remonstrance against the same. State of Oregon, City of Klamath Falls, as: J. A. L. Leavitt, Police Judge, do hereby certify and attest the foregoing to be a properly enrolled copy of the foregoing resolution of the Common Council, declaring its intention to change the grade of Crescent avenue from Alameda avenue to Nelson street, adopted September 2, 1913. Dated at Klamath Falls, Oregon, September 4, 1913. A. L. LEAVITT, Police Judge.

Notice to Contractors The County Court of Klamath County, Oregon, will receive bids up to September 18, 1913, for the construction of a road described as follows, same being a part of what is known as the Rattlesnake Point road: From Station 275, being 5.4 miles from the beginning point, to Station 288.40, a distance of 11,340 feet. Also from station 88.8 corrected line to Station 0 on corrected line, a distance of 8,008 feet. Also from Station 0 on corrected line to an intersection of the present county road from Klamath Falls to Fort Klamath, a distance of approximately 1 1/4 miles. Wm. S. Worden, County Judge. C. G. Merrill, County Com. John Hagelstein, County Com.

Resolution Whereas, Heretofore the grade on Crescent avenue, in the City of Klamath Falls, Oregon, from Alameda avenue to Nelson street, has been established by ordinance, proclamation and other legal methods of the Common Council; and, Whereas, It is now deemed expedient to change the said grade to conform to specifications submitted by the city engineer; Be it Resolved, That it is the intention of the Common Council of Klamath Falls, Oregon, to change the grade of said Crescent avenue, from Alameda to Nelson street, and that the said grade after this proposed change will be as follows: Alameda, north side . . . 190.9

Legal Notices Resolution Whereas, Heretofore the grade on Crescent avenue, in the City of Klamath Falls, Oregon, from Alameda avenue to Nelson street, has been established by ordinance, proclamation and other legal methods of the Common Council; and, Whereas, It is now deemed expedient to change the said grade to conform to specifications submitted by the city engineer; Be it Resolved, That it is the intention of the Common Council of Klamath Falls, Oregon, to change the grade of said Crescent avenue, from Alameda to Nelson street, and that the said grade after this proposed change will be as follows: Alameda, north side . . . 190.9
