What the Tariff Will Do for Us

A Careful Study of the New Measure by an Expert

By BOND P. GEDDES
(Staff Correspondent of the United Press)

WASHINGTON, D. C., Nov. 3.—
The glare of the footlights didn't squint
the eyes of democrats who framed the
new tariff law. They apparently had
little thought of reducing the cost of
theater-going in their "revision down-
ward" to lower the cost of living. The
stage actors and play goers will be
little cheaped if any, as the result
of the tariff reductions. Of course,
lambs and hams are made free of
duty, but actors and actresses can find
little financial solace in the new law.
Neither can the devotees of the thea-
ter, especially the "movies."
Theatrical supplies may even be
slightly higher, as a result of the
tariff revision, while increased import
taxes on foreign moving picture films
and complete photoplays are given a
new and almost prohibitive tax. Ex-
posed and developed "movie" films
must pay about 50 per cent of their
value in duty now, as compared with
20 per cent under the old law.
"Raw," unexposed film, however, is
not subject to any duty. This gives
American "movie" concerns the edge
against foreign competition.
It promises presentation of fewer
foreign picture plays.

IF KIDNEYS ACT BAD TAKE SALTS

SAYS BACKACHE IS A SIGN YOU
HAVE BEEN EATING TOO MUCH
MEAT, WHICH FORMS URIC
ACID

When you wake up with backache
and dull misery in the kidney region
it generally means you have been eat-
ing too much meat, says a well known
authority. Meat forms uric acid which
overworks the kidneys in their effort
to filter it from the blood, and they
become sort of paralyzed and loggy.
When your kidneys get sluggish and
clog you must relieve them, like you
relieve your bowels; removing all the
body's urinous waste, else you have
backache, sick headache, dizzy spells;
your stomach sour, tongue is coated,
and when the weather is bad you
have rheumatic twinges. The urine
is cloudy, full of sediment, channels
often get sore, water scalds and you
are obliged to seek relief two or three
times during the night.

Either consult a good, reliable phy-
sician at once or get from your phar-
macist about four ounces of Jad
Salts; take a tablespoonful in a glass
of water before breakfast for a few
days, and your kidneys will then act
fine. This famous salt is made from
the acid of grapes and lemon juice,
combined with lithia, and has been
used for generations to clean and
stimulate sluggish kidneys, also to
neutralize acids in the urine so it no
longer irritates, thus ending bladder
weakness.

Jad Salts is a life saver for regular
meat eaters. It is inexpensive, can-
not injure, and makes a delightful,
effervescent lithia water drink.

For the actor and actress, the new
law increases about 2 per cent the
duty cost of cosmetics, theatrical
greasepaint, pencils, powder, etc.
Eyebrow pencils, however, are re-
duced about 10 per cent. "Stage blondes"
may be benefited by the lopping off of
one-half the duty on bleaching pow-
der. The dazzling calcium, so dearly
loved by stage folk, may be cheaper
by the reduction in the new law of
3 cents a pound duty on calcium.

However, most of the spotlights
nowadays are electric. Opera glasses
may be cheaper, too, as the import
duty has been lowered 15 per cent.
Wigs of real hair do not promise to
sell cheaper at retail, as the duty of
35 per cent in the old law has been
retained. Cheap horsehair wigs may
drop at retail, however, as the import
tax has been chopped considerably.
Burlesque theater patrons—and
actresses—may be pleased to know
that the duty on cotton tights has
been cut in half. This may result in
cheaper tights at retail—and more of
'em. Skeletons, too, are on the free
list. Skins—dressed skins—are re-
duced in duty 10 per cent, while un-
dressed skins are on the free list.

Racing Over Desert
PHOENIX, Ariz., Nov. 2.—Only
indirect word has been heard here to-
day from the motorcyclists who to-
day are well on their way in their
race across the desert. The run is
from San Diego to Phoenix, and was
planned to be held in conjunction
with the Arizona state fair week pro-
gram, which is on in full swing today.
The motorcyclists left San Diego yester-
day. If the cyclists complete the
run it will be the first time that
motorcyclists have ever crossed the
desert.

Blacuits and cakes exported from
the British Isles increased from 20,

of 1911 to 22,750,000 pounds in the
same period of 1912 and to 25,500,
000 pounds in the first half of 1913.
