### RESTROOM FOR FARMER'S WIVES

The efforts of the Civic League and Ministerial Association to secure a rest room for the benefit of farmers' wives and children while in the city will likely be crowned with success when the Chamber of Commerce meets this evening.

Secretary Lewis Wilde of the Chamber of Commerce, has taken the matter up with the Ministerial Association and with the Civic League and formulated a plan whereby the three organizations, working in harmony, can secure at minimum expense a room that is ideally located and perfectly equipped.

The room in question is in the Chamber of Commerce building, and is well lighted and ventilated and easy of access. The lavatory has all necessary equipment, including hot and cold running water.

Mr. Wyde will present the matter to the board of directors at the meeting this evening, and is confident that a favorable attitude will be taken.

The object of a rest room is to provide some suitable place for ladies and children from the country to spend their time while waiting for trains or vehicles, or, maybe, while waiting for "hubby" to finish some business transaction.

According to Captain George Saris of Lowell, Mass., almost the entire "holy regiment" of Greeks was wiped out during the Balkan war. The majority of the men were killed or wounded in battles with Bulgarians.

Jesse Childs of Forsythe, Ga., is exhibiting a stalk of corn grown on his place on which there are nine well matured ears. He planted a great many varieties of corn and found several stalks with six and seven ears.

### M'MANIGAL IS GIVEN LIBERTY

OFFICIALS REFUSE TO TELL WHERE HE IS, BELIEVING THAT HE SHOULD BE GIVEN A GOOD RUNNING START

United Press Service

LOS ANGELES, Nov. 4.—District Attorney Fredericks today practically admitted that Orrie McManigal, confessed dynamiter, is freed. McManigal left the jail late yesterday with a detective. Later the detective returned alone.

The authorities are reticent regarding McManigal's destination, Fredericks saying he "wanted to give him a running start."

Asked pointblank if McManigal was coming back, Fredericks answered:

"Maybe, in a few weeks, but we may decide to allow him to remain away."

"What's the use of talking about it," he continued. "McManigal is now far out of the country. It would not be humane to tell his whereabouts."

Countess is Insulted

Some unknown American has grossly insulted the Countess of Warwick by writing her suggesting that she could make large sums of money by introducing American social "climbers" to titled Europeans. The writer wanted to enter into the scheme and share profits with her. The writer asked her to send him \$400 so that he could go to Europe to visit her.

### MUST KEEP WALKS IN GOOD REPAIR

COUNCIL PROVIDES A FINE FOR PROPERTY OWNERS NEGLIGENT ABOUT REPLACING ANY BROKEN BOARDS

It behooves property owners to make a thorough inspection of the sidewalks in front of their property, for the council is going after owners whose walks are in any but a good condition.

At last night's meeting Councilman Doty moved for an amendment to the sidewalk ordinance, providing a penalty for any property owner failing to keep his walks in good repair.

This was adopted, and the council instructed City Attorney Rutenic to draft and submit the amendment.

### This Year's Grain Crop in Klamath County Is Estimated at One Million, Two Hundred Thousand Bushels

One-third more grain has been produced in Klamath County this season than has ever been produced before. This has been due mainly to the fact that we have in the last twelve months had quite an influx of new farmers. Within the next year there will be a great many more farmers coming into this county. This will mean increased business in the city of Klamath Falls. More business houses will be required to cope with the increase of trade. More workmen will have to be brought in. These workmen will require homes to live in. Property values will increase with the increased business. We have some choice locations which can be bought at a reasonable price on easy terms. Why not buy one of these lots, build on it and assure yourself of from 15 to 20 per cent interest on your investment? This is an opportunity to let your money make money. Why not take it? Call at our office for information as to good building locations.
