SALTS FINE FOR ACHING KIDNEYS

WE EAT TOO MUCH MEAT, WHICH
CLOGS THE KIDNEYS, THEN
BACK HURTS AND BLADDER
BOTHERS YOU

Most folks forget that the kidneys,
like the bowels, get sluggish and clog-
ged and need a flushing occasionally,
else we have backache and dull mis-
ery in the kidney region, torpid liver,
acid stomach, sleeplessness and all
sorts of bladder disorders.

You simply must keep your kidneys
active and clean, and the moment you
feel an ache or pain in the kidney
region, get about four ounces of Jad
Salts from any good drug store here,
take a tablespoonful in a glass of wa-
ter before breakfast for a few days
and your kidneys will then act fine.
This famous salts is made from the
acid of grapes and lemon juice, com-
bined with lithia, and is harmless to
flush the kidneys and stimulate them
to normal activity. It also neutralizes
the acids in the urine so it no longer
irritates, thus ending bladder dis-
orders.

What the Tariff Will Do for Us MEXICAN STEERS ARE SOLD TODAY

A Careful Study of the New Measure by an Expert

By HOND P. GEDDES
(Staff Correspondent of the United Press)

WASHINGTON, D. C., Nov. 14.—
Although many economies in the pur-
chase of Christmas presents are
promised by the democratic tariff
framers, you'd best not count too
much on the forecast this year. At
any rate, you'll be wise to continue
to obey that impulse and do your
Christmas shopping early. It being
the custom for wholesalers and re-
tailers to buy their Christmas goods
during the summer, they are now re-
ceiving stocks bought several months
ago, before the new tariff law went
into effect. When they buy again
next summer, however, it is generally
believed they will be able to do so at
noticeably reduced prices, which, in
turn, are expected to be noticed by
Old Man Kris Kingle in 1914.

Some of the Santa Claus economies
which should materialize this year
will mean quite a bit to Santy. First
of all, the democratic tariff framers
kept Christmas trees—evergreen
seedlings—on the free list. They also
showed their good intentions by cut-
ting in twain the import duties on
candy. Although only \$400,000 worth
of foreign made candy is expected to
be imported next year, to compete
with the \$134,000,000 worth manu-
factured in this country, democrats
hope in time that the amount will in-
crease and prices therefore go down,
much to the joy of all sweet-toothed
people.

There is one sad blow for the kid-
dies in the new tariff. It was the re-
fusal of the democrats to reduce the
import duty on foreign toys, doll
heads, marbles and other similar toys
excepting those of china and earthen-
ware, on which the duty was re-
duced so little that it probably won't
make very much difference. Last year
Americans bought \$7,881,000 worth
of foreign toys, on which they paid a
duty of \$2,758,000.

Christmas cards ought to be quite
a bit cheaper if you buy them by the

round, for they have been reduced
from five to ten cents a pound. Christ-
mas fruits also ought to be cheaper
this Christmas. They seem certain to
cost less next year. Oranges ought
to cost from one-half to a cent cheap-
er on the dozen; figs one cent a pound
cheaper, and cranberries eight cents
a quart instead of ten.

But one thing is certain. If wife
or daughter or sweetheart pines for
jewelry or diamond set articles, have
a care. There's a five per cent in-
creased duty on real and imitation
gold, silver and platinum jewelry.
Diamonds formerly were on the free
list, and a stone which cost \$200 un-
der the old law, will cost you from
\$220 to \$250 now. However, if you
already have a diamond you can feel
better, because of its increased value.

While few of the usual, conven-
tional Christmas gifts are reduced in
duty under the new law (for the

democratic framers have generally in-
creased taxes on luxuries, including
Santa Claus), rates are generally low-
er upon useful and wearable gifts.
Mr. Husted Boudholder's Christmas
will probably cost more, but Mr. Com-
mon people may be able to reduce the
"high cost of Christmas" next year.

A deal closed today resulted in the
sale of 500 head of steers to J. C.
Mitchell of Mt. Home, by Offield &
Stokel, a Merrill firm. The cattle
were delivered at Merrill this morn-
ing.

The beef animals were some of the
Mexican stock shipped in several
months ago, and they rounded into
prime condition on the Klamath
range. They are to be driven to Gas-
selle, Calif.

Good Road Results

The Bidwell News says that Long
Valley, just over the range of hills
east of Surprise, is rapidly filling up
with settlers. They are arriving daily
and taking up land, and will soon
have a thriving settlement. The News
calls upon citizens of Bidwell to join
in repairing and rendering passable
a road leading from Long Valley to
that place. This is the kind of "good
roads" imperatively needed, and if
constructed will add to the prosperity

of the town, as well as to the new set-
tlers.

The Southern Pacific company this
morning began the task of construct-
ing four drainage tunnels in Green-
land, north of Yoncalla. The South-
ern Pacific has suffered considerable
difficulty at this point during the win-
ter months, and only recently it was
decided to construct a number of tun-
nels and thereby avoid future incon-
venience. The tunnels are being in-
stalled at considerable expense.
