HENRY W. KESSEE (By Captain O. C. Applegate)

Henry W. Kessee, who departed this life on December 31, 1913, was born at Corvallis, Benton county, Oregon, February 19, 1858. He attended the public schools of the county, and later was a student of the State Agricultural College in his native town. He was a good student, and prominent in the athletic and military activities of that school.

He was married in 1880 to Miss Emma Alice Burnett, a daughter of Hon. John Burnett, with whom Mr. Kessee read law. Mrs. Kessee died in 1891. Two children were born of this union, John B. and Archie, the latter now the wife of Mr. E. E. Kirkendall of Klamath Falls.

Mr. Kessee was an industrious student of the law, and was admitted to the bar at 21, and practiced for some years at Corvallis, until his removal to Bonanza, Klamath County, about twenty-five years ago.

In 1892 he was married to Miss Rose Bradburn, who survives him. Of this union four children survive, Wayne, Vernon, William and Bonita. After practicing at Bonanza for several years, Mr. Kessee removed to Klamath Falls in 1895, becoming a partner of John L. Orr, who subsequently became county Judge of Klamath county, and later a circuit judge in Nevada. Mr. Kessee's last partner, Mr. Rollo C. Groesbeck, is now on a visit to friends in the East.

Mr. Kessee was well known and respected by all the old-time residents of Klamath county, and was universally regarded by them as a capable lawyer and an upright man, and he will be greatly missed by them, as well as by the many new friends he has made during his later years.

Mr. Kessee's half-brother, Mr. William Knotts of Corvallis, is well known to quite a number of the older settlers of Klamath county.

Adelaide N. Branch, "Heart Wife" of Lawyer Melvin Couch

The death of Melvin H. Couch, lawyer and leading politician at Monticello, N. Y., a village which is supported largely by the tourist travel of health seekers from New York city both in winter and summer, revealed one of the strangest romances. Such a situation would, in a work of fiction have been passed by as too improbable.

For ten years the woman had lived in a small room off the lawyer's office, and did not go out more than once each year during that time. Three blocks away his wife and family lived in one of the finest houses of the village. No one even suspected her existence.

He died suddenly of heart disease at 5 o'clock in the morning. The woman hurried out for a doctor, and then the story came forth. She told the police she was Couch's "heart wife," and now it is feared her situation may drive her to suicide.

In twenty-six states there are state foresters who co-operate with private timber land owners in solving forest problems.

The forest service maintains nine experiment stations for studies in reforestation and similar subjects.

PITTSBURG, Jan. 1.—Dr. William M. Davidson was expected today to assume the duties of the superintendent of the Pittsburg public schools. He was appointed by the school board in November, and immediately resigned as head of the schools in Washington, D. C.

IF KIDNEYS ACT BAD TAKE SALTS

SAYS BACKACHE IS A SIGN YOU HAVE BEEN EATING TOO MUCH MEAT, WHICH FORMS URIC ACID

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which

OPENS UP NOSTRILS, CLEARS HEAD, ENDS COLDS OR CATARRH AT ONCE

Instantly Relieves Swollen, Inflamed Nose, Head, Throat—You Breathe Freely—Dull Headache Goes—Nasty Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the Nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning, the catarrh, cold-in-head or catarrhal sore throat will disappear. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, tre-

overworks the kidneys in their effort to filter it from the blood, and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful, effervescent lithia water drink. Advertisement.

Libraries Balk on "Popular" Fiction

United Press Service

CHICAGO, Jan. 1.—Whether libraries should attempt to satisfy the public appetite for "popular" fiction or should leave that field to the subscription librarians, was one of the questions discussed today at the annual meeting of the American Library Association.

The increasing cost of furnishing magazines to library patrons, due to the recent advances in subscription

prices, was another topic of discussion, and it was probable that a resolution would be addressed to the publishers, asking for better terms for library purchasers.

S. H. Ranck, librarian at Grand Rapids, Mich., and chairman of a committee on better ventilation and lighting for public libraries, presented a report on that subject. W. N. C. Carlton of the Newberry library of Chicago, will lead a discussion of the treatment of unsolicited gifts.
