SONG SERVICE A BIG SUCCESS

SOLO NUMBERS WELL RECEIVED, AND AUDIENCE JOIN WITH A WILL IN RENDERING THE OLD HYMNS

With more than 250 people in attendance, the song service given at Grace M. E. church Sunday night proved to be a great success. The service may be repeated, in response to popular demand. The solo numbers were all well rendered. Besides these, some of the grand old hymns were sung, and those who did not sing swelled the volume by whistling.

DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

SAGE TEA AND SULPHUR DARKENS SO NATURALLY THAT NO BODY CAN TELL

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy.

Of 14,208,724 sheep inspected for food purposes in 1912, only 15,462 were condemned, about one-tenth of 1 per cent.

The navy department has asked the forest service to investigate guijo, a Philippine wood, for possible use in decking boats and ships. Longleaf pine, sugar maple and beach are the domestic woods most used for decks.

A glass bottle blowing machine, invented in Germany, has a speed of 2,000 bottles an hour, equal to the work of 250 expert glass blowers.
