## OPIE READ IN A CLASS BY SELF

### HUMORIST SOON TO LECTURE HERE HAS RECORD FOR NUMBER OF BOOKS MARKETED AT HIGH PRICES

Opie Read, who is to appear here this season, is one of America's greatest authors as well as lecturers. His power to entertain and instruct an audience is marvelous, and his use of beautiful English is equally notable. His American stories have made for themselves a secure place in the affections of the American people. It has been said that he received the highest prices for his writings of any author in America. Opie Read is an original thinker. He is also a fine story teller and tells only his own stories. He tells them as none other can and has delighted thousands. A program by Mr. Read must necessarily abound in entertainment. He is also a philosopher and wit. His recital of the adventures of Lin Jucklin is the keener arraignment of modern fraud and abuse extant. It is a strong and manly contribution to the work of social and political reform. He has an interesting and powerful personality. He is tall and commanding. Resolution and courage are prominently announced in his look, and he has deep convictions. Opie Read is a master painter of the things that stir men's souls. His recitals are keen and penetrating. He takes his audiences with him. They shed honest tears at his tender passages and laugh boisterously at his flashes of humor. Opie Read will appear Monday night at Houston's opera house.

## Heavy Shipments of Cattle Were Noted

(Herald Special Service)  
PORTLAND, Jan. 19.—That cattle prices did not break badly and cause a panic last week was the remarkable feature to the trade. Following the depression a week ago, Monday came forth with a veritable deluge of cattle, and buyers prevented disaster by cleaning up the supply and relieving the congestion.

Beef outlet, however, has been narrow ever since, and a very poor demand rules. Killers get some good hay-fed steers at prices ranging from \$7 to \$7.40, and cows from \$6 to \$6.50. The hog trade was steady to firm during the entire period. Monday's run broke all records, the total being 2,950 head. Receipts during the rest of the week added approximately 4,000 more. Packers seemed to welcome this big run, as it contained many cars of firm, smooth stuff, for which they bid \$8 and \$8.10, with the bulk price at \$8. The market closed a shade weaker, with best top hogs going at 8 cents. Mutton and lamb markets have maintained former price levels easily, especially for the choice grain fed varieties. Prime wethers sold at \$3.75, and ewes at \$4.50, but medium quality was cut sharply. Fancy lambs were not offering freely, the best ones selling from \$6 to \$6.35 early in the week. Strictly choice grain lambs were quoted at \$6.50 to \$6.75 at the close of business. Sheep house liquidations large.

### Countess Molitor to Cross Desert Alone

Countess Molitor, well known in England for her adventures in the wild places of the earth, has gone on a perilous journey across the Rub-el-Khali, the great sandy desert of South Arabia. Other European explorers have tried this journey, and all have failed. Yet the intrepid woman believes she can make the trip without other aid than that of the natives.
