TRAINS ARE BEING HELD AT DELTA AND AT KENNETT, PENDING THE COMPLETION OF A "SHOO-FLY"

United Press Service

REDDING, Pa., Feb. 3.—The Shasta Route on the Southern Pacific is blocked today as the result of a landslide at Smithson Siding, near here. The slide is eighty feet in length, and the tracks are buried to a depth of seven feet.

Trains are being held at Delta on the north and Kennett on the south. A track is to be built around the slide, in order to prevent a paralysis of the system.

LOOMIS BUILDING BEING REMODELED

OFFICES OF ATTORNEYS AND DENTISTS ON SECOND FLOOR ARE BEING MIXED UP AS A RESULT

Law books, desks, dental equipment, in fact, all sorts of office furniture, is strewn through the corridors of the Loomis building this week, while carpenters and plasterers are at work tearing out partitions and making over the office arrangement.

Dr. Fred Westerfeld's office is bigger as a result. The former location of Horace Manning's law office has been remodeled, and now is occupied by Dr. W. A. Leonard.

The rooms that were used by Dr. Leonard are being torn up, and as a result, C. M. O'Neill and Horace M. Manning will have a suite of four rooms, reception room, private office and library. J. H. Carahan's office is also enlarged by the changes.

BASKETBALL TEAM LEAVES ON TOUR

GAMES WILL BE PLAYED WITH THE LEADING HIGH SCHOOLS OF THE ROGUE RIVER VALLEY ON THE TRIP

Coach McCall and his squad of basketball artists left this morning for Rogue River Valley to trip conclusions with the teams of Central Point, Medford and Ashland high schools and the Polytechnic of Ashland.

The Ashland high was the one the local team expected their hardest game with, and now comes the disheartening report that the O. A. C. gave them a 45-to-5 drubbing.

Figuring from all available "dope," it looks as though the local lads will have a walk-away with the teams of the Rogue River country.

The Klamath High has been training faithfully for this trip, and any team that can win from them will have to play ball. Hurn, Noel, Bolter, McClure, Garret, Hale and McCornack made the trip.

ANTI-JAP AMENDMENTS DEFEATED

case. The leaders of both the democrat and republican parties in the house made stirring speeches, appealing to the patriotism of the members, regardless of party affiliations, to defeat the amendment which might involve the two nations.

The leaders declared in their appeals that the adoption of these amendments would seriously embarrass President Wilson and Secretary of State Bryan in their negotiations with Japan, and inject further difficulties into the "already delicate Japanese situation."

As a result the house defeated the amendment of Congressman Hayes of California, and by a vote of 192 to 6, failed to adopt the anti-Jap amendment proposed by Congressman Raker of California.

Where Are the Old Fashioned Seams?

Here you see an American-made spring suit, which is as stylish as many French fashions imported for the spring. This is what a fashion expert has to say about it: "It would appear that any one could manage the making of a suit now, considering the simplicity with which the most stylish of them are cut and sewed, just a few square pieces and a few seams, and the beau-

ty is double that the old chopped up designs. Here is a suit of silky mohair and wool fabric that expresses the ideal of this very simplicity and style. Two pieces to the short flaring coat, a straight skirt and straight pieces to the double peplum, a dash of style in the demure machine embroidery collar and the Japanese sash, and you have a chic to satisfy the most fastidious.
