IDEAL MARRIAGE IS HELD TODAY

Duke Who Can Almost Trace His Ancestors "Up a Tree" Is Wedded to Girl Active in Philanthropic Endeavors Throughout East

United Press Service
NEW YORK, Feb. 19.—The "ideal marriage" of the Duke Don Arturo de Majo Durrazzo, 24, to Miss Elizabeth Frances Hanan, 54, sister of John H. Hanan, took place today at Trinity Church.

The duke comes of an Italian family recorded in the "Book of Gold of the Nobility of Italy." His family dates back to 1272. Its history is replete with romantic facts in the histories of the famous old Italian cities of Capua, Foggia, Lucera, Catanzaro, Venice, Naples and Rome.

The romance consummated today began two years ago on board the Hanan yacht in the Mediterranean, when the duke was a guest of Hanan. He had begun a philanthropic movement in Italy for the scientific application of funds donated by the rich to the poor.

Miss Hanan, who has devoted her life to such work, immediately became interested in him and his work. She had been variously reported to be engaged to marry many titled Europeans and many wealthy Americans.

"TIZ" FOR TIRED SORE, ACHING FEET

"Ah! what relief. No more tired feet; no more burning feet, swollen, bad smelling, sweaty feet. No more pain in corns, callouses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ." "TIZ" draws out all the poisonous exudations which puff up the feet; "TIZ" is magical; "TIZ" is grand; "TIZ" will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief.

General Villa and Troops in Action

In the foreground of this photo is seen General Villa, the Mexican rebel leader. He is at the head of his troops, which took Ojinaga from the federals. Villa is given credit for being one of the boldest Mexican leaders in action. He generally goes into action with his men. This is due, it is believed, to the training he received in the many years he was a bandit—then he had to go with his men.

News of Our Neighbors

Gossip and Progress of Nearby Communities as Chronicled in the Press.

New Cattle Disease
A new disease, and a dreaded one among Eastern dairymen, has been reported by some West Side ranchmen, and that is contagious abortion in cattle. If the report comes from a reliable source in regards to the identification of the disease, stockmen and dairymen had better get busy and fight it out, for there is no disease so disastrous among the classes of infectious diseases as is contagious abortion in beef or dairy localities.—Lake County Examiner.

Sometimes a Train
The N.-C.-O. has been making trips every few days this week. Mails are about all in now, and reading matter is abundant. By the way, we do not believe our citizens appreciate the efforts of train crews of the narrow gauge in getting here even two or three times a week, as the road is fairly swamped, and great care and skill is required in getting through. Certain it is, whatever may be the short-comings of the N.-C.-O., it is not due to the train boys.—Alturas Plaindealer.

Getting Better
The second "get-together" banquet of the Commercial Club and citizens was held in the armory last evening, and was even more successful than the first, if that were possible.—Ashland Tidings.

NEIGHBORHOOD TALK AT OLENE

The Literary Club will meet at the Oleno school house on Friday evening, February 27th. Mr. Groesbeck of Klamath Falls will deliver an address on the subject "Government and the Citizen."

The meeting of the Literary Club last Friday night at Pine Grove was a very enjoyable affair, beginning with a short patriotic program by the school, and ending with a banquet. Superintendent Peterson delivered a very able address on the subject of "Single Tax."

Superintendent and Mrs. Fred Peterson dined at the Grigsby ranch on Friday evening.

Mr. and Mrs. J. C. Brittan were in Klamath Falls Tuesday.

Many from this neighborhood and from Pine Grove attended the dance at Mr. Eastwood's, near the Stukel bridge, Saturday night.

Mr. and Mrs. A. L. Marshall were in Klamath Falls Saturday.

Mrs. J. I. Clark spent Saturday and Sunday at the Gap.

Miss Eva Bour of Klamath Falls were home over Sunday.

Miss M. Aldrich spent the week end at Pine Grove.

Roy Kinsman attended a masquerade dance at Malin Saturday night.

Carries Phonograph to Cheer Invalids

United Press Service
BELLEVUE, Ohio, Feb. 19.—When Thomas A. Edison invented the phonograph he had no idea what a part it would play in cheering up sick folks in Bellevue, Ohio. If Edison were to see Frank W. Smith of Bellevue pushing a wheelbarrow containing a phonograph down the street he'd ask, perhaps, what Smith was doing. Here's the answer
Smith cheers up sick folks with his phonograph. He has been visiting sick folks in Bellevue for years, and he always wheels his talking machine. Whenever he hears of a "shooting" he starts out.
"Flowers aren't just the thing for sick folks," declared Smith. "A phonograph record does them much more good."
Sickness in any family is a sure sign that Smith will load it in the paper and be on his way with his phonograph.

MEAT CAUSE OF KIDNEY TROUBLE

TAKE A GLASS OF SALTS IF YOUR BACK HURTS OR BLADDER BOTHERS—MEAT FORMS URIC ACID
If you must have your meat every day eat it, but flush your kidneys with salts occasionally, says a noted authority, who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.
To neutralize these irritating acids to cleanse the kidneys and flush out the body's urinous waste get four
