

# State Wide Union to Protect Oregon Game

PORTLAND, Feb. 24.—Plans for the forming of the Oregon Sportsmen's League will be made at a meeting of the committees at a luncheon today at the Oregon hotel. The organization of the league will take place Monday, March 16th, in the assembly hall of the Commercial Club.

The purpose of the organization is to protect the fish and game of the state and unify the forces of sportsmen to gain greater strength in advancing their common interests.

A great deal of interest is being manifested in the meeting and representatives of many gun, anglers and other sportsmen's clubs throughout the state are expected to be present.

The organization movement has been fostered for a year by the Multnomah Anglers Club, The Portland Gun Club and the Portland Revolver Club are taking an active part in arranging for the meeting.

It is the plan of the sportsmen to devise an equitable system of delegates so that the league will not be dominated by one or two strong clubs, leaving the smaller clubs without a voice in the policy or control of the league.

A number of prominent sportsmen throughout the state have been invited to address the meeting and a special invitation has been sent to State Senator Rean of Eugene, who was chairman of the joint game committee of the house and senate, to make an address. Representative Lewellen of Albany and Bruce Dennis of LaGrande will likely respond with short speeches.

For the entertainment of the delegates, it is planned to have a trap shoot on the Portland Gun Club grounds at Kenton on Sunday, March 15th. A fly casting tournament will also be staged.

### DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

### RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

# Appeal to the Supreme Court by Labor Heads

United Press Service WASHINGTON, D. C., Feb. 24.—A petition for review of conviction of President Frank M. Ryan of Indianapolis and twenty-three other members of the Bridge and Structural Iron Workers in the dynamite case was presented to the supreme court.

They asked the high court to set aside the jail sentences resulting from confessed dynamiting of the Los Angeles Times and other outrages by Orin McManigal and James B. McNamara.

tained by the federal circuit court of appeals at Chicago.

Ryan and the others were charged with conspiracy in transporting dynamite in interstate commerce in violation of the federal law prohibiting shipment of explosives. They allege that they were convicted largely upon the "uncontradicted" evidence of McManigal and McNamara.

If the supreme court refuses to review the cases, Ryan and his alleged co-conspirators must go to jail. Several are now serving jail sentences, unable to get bail pending the appeal filed today.
