

# Hill Arranges for Steamship Terminals

(Herald Special Service)  
 PORTLAND, April 27.—That the terminus of the steamship line which will be put into operation shortly after the first of next year, was announced by Louis W. Hill when in Portland a few days ago.

While not going into details, Mr. Hill intimated that the plans for the docks are practically ready, and that the structures will be of mammoth

size and that the railroad yards in connection with the docks will accommodate not less than 1,000 cars.

The site selected by the Hill system is three miles west of Astoria. The tract has a frontage of 2,800 feet on the Columbia River, and is considered to be one of the most valuable pieces of property under the ownership of the Hill system.

The docks are expected to be completed and ready for the steamers now being built for the Hill lines at the Cramp yard in Philadelphia.

## Trio's Performance Pleases

The Callope Trio sang their way into the good graces of a regular Sunday night audience at their opening engagement at the Star theater last night. The Callope Trio—so called on account of their excellent imitation of a circus parade—is composed of three men with splendid voices, who manage to render vocal selections in a way to leave the impression that there must be a quartette.

The theater-goers of this city have evinced a preference for good singing, and it is not likely that any will miss the opportunity to hear these young men.

## MEAT CAUSE OF KIDNEY TROUBLE

**TAKE A GLASS OF SALTS IF YOUR BACK HURTS OR BLADDER BOTHERS—MEAT FORMS URIC ACID**

If you must have your meat every day eat it, but flush your kidneys with salts occasionally, says a noted authority, who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia water drink.

Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired.

Get a 25 cent box at any drug or department store, and get relief.
