## Good Dancers at the Star Theater

## HOSE CART FOR SIXTH STREET

COUNCIL ALSO VOTES TO PURCHASE ADDITIONAL HOSE AND NOZZLE, AND TO REDISTRIBUTE HOSE THROUGH CITY

As a part of the plan to make the city's fire fighting equipment more efficient, the city council last night ordered the purchase of 350 additional feet of hose and a nozzle. This, with some extra hose from the fire hall and the cart now at Shippington, will be stationed on Sixth street, to protect the factories on that street.

The hose at Shippington, it was pointed out, protected only the factories, and the cart is not absolutely necessary.

## BREATHE FREELY! OPEN NOSTRILS AND STUFFED HEAD--END CATARRH

Instant Relief When Nose and Head Are Clogged From a Cold. Stop Nasty Discharges. Dull Headache Vanishes.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the Nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning, the catarrh, cold-in-head or catarrhal sore throat will disappear. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of

the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears air passages; stops nasty discharges and a feeling of cleansing soothing relief comes immediately. Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm"—and your cold or catarrh will surely disappear. (Paid Advertisement.)

## DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

SAGE TEA AND SULPHUR DARKENS SO NATURALLY THAT NOBODY CAN TELL

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy. ## Fewer Schools Than During 16th Century

United Press Service  
LONDON, May 24.—There are fewer primary schools in Russian Poland than there were at the beginning of the sixteenth century," says a statement issued today by the Polish bureau here, on authority of the National Council of Poland, dealing with conditions in that country, for which the Russian government is held responsible.

"For 2,000,000 children of school age there are only 4,216 available schools, according to the latest census, and these are able to accommodate only 17.4 per cent of the children," declares the statement.

"The Russian government not only looks with disfavor upon primary education in Poland, but actually does all in its power to prevent and hinder its development. Educational societies and associations are suppressed as soon as found, as was the 'Mafors Polaka,' which established during the nine months of its existence more than 300 primary schools.

"Only recently the government suppressed a great society for scientific education with a membership of tens of thousands. Numbers of well-informed people have been imprisoned for no greater offense than that of teaching the rudiments of the Polish language and religion to such few children as they could gather around them.

"The fate of Polish journals is no better. If they dare to write on the most commonplace and non-political questions or even report speeches made by Polish deputies in the duma, they are fined or sent to prison. More than 100 such cases were reported in the past year.
