

# "Big Business" Holds Convention in Capital

United Press Service

WASHINGTON, D. C., May 27.—"Big Business" opened its first national convention here today. With high government officials and officers of the largest manufacturing concerns in the United States on the program the first National Foreign Trade convention, as it is officially known, began its two days' meeting.

The convention, its members declare, has been made necessary by the success of foreign trade of this country. Their desire to "get together" and talk over the problems confronting the manufacturer, was stimulated, they say, by a desire to extend American commerce still further, and to interpret, as nearly as they can, the effects the Underwood-Himmons tariff act and the new currency law have

had already on business conditions here and abroad.

Secretary of Commerce Redfield has promised to open the convention, while Secretary of State Bryan will be one of the chief speakers at tonight's banquet.

On the program appear such as J. A. Farrell, president of the United States Steel corporation; Edward C. Simmons of St. Louis, the hardware manufacturer; J. J. Hill, "Father of the Northwest"; H. G. Herget, president of the Illinois Manufacturers' Association; Ellison A. Smyth, president of the Cotton Manufacturers Association of South Carolina; Captain Robert Dillar, president of the Robert Dollar Steamship company of San Francisco; J. D. Ryan, president of the Amalgamated Copper company, and James A. Arnold, secretary-manager of the Texas Business Men's Association.

## Smallest Mermaid Vieing for Honors

Can you imagine a pretty child of 10 vying for athletic honors against the best of full grown rivals? It does seem absurd, doesn't it? Yet there is no doubt that Florence McLaughlin of Philadelphia, the smallest mermaid in the world, threatens the laurels of the leading women swimmers in her district, and will take a lot of beating in next summer's important contests. Florence is not a newcomer of unknown ability. She has already proved her worth. Last August, when a tot of 9, standing 4 feet 3 inches and weighing 68 pounds, she swam five miles in the practically still waters of the Schuylkill River in a trifle over three hours. At the time this performance was met with general skepticism, for none believed it possible that a mere baby should do such amazing work. Nevertheless, every doubt of the feat was swept aside, for the chubby miss entered a 5 1/2-mile race for her sex, and not only completed the long course without turning a hair, but defeated eight of eleven mature opponents.

## Deeds, Not Words

Klamath Falls People Have Absolute Proof of Deeds at Home.

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills for Klamath Falls' kidney sufferers have made their local reputation.

Proof lies in the testimony of Klamath Falls people.

N. Marchand, Warden ave., Klamath Falls, Ore., says: "About two years ago I first noticed symptoms of kidney trouble. My back pained me intensely and I was obliged to get up many times during the night, owing to too frequent passages of the kidney secretions. Often my back was so weak that I had to quit work. Doan's Kidney Pills were finally brought to my attention and I began using them. They made my kidneys normal and removed the pains in my back. I give Doan's Kidney Pills the credit for this cure and highly recommend them to other kidney sufferers."

# Snail a Speed Demon Beside This Tribunal

United Press Service

ST. PETERSBURG, May 2.—The slow speed gear under which the supreme court of the United States sometimes operates can scarcely compare in effectiveness with that attached to the wheels of justice in Russia. The senate, which is the supreme court of the empire, after deliberating on the question for thirteen years, has just decided that a Jew, Max Vaxman, may establish a photograph gallery at the city of Kholm.

It was in 1901 that the photographer, who was conducting a studio in Krasnastav, Poland, asked the governor's permission to start a branch shop in the neighboring town of

Kholm. The governor refused, on the ground that Kholm was "an important strategic and religious center, where a Jew would be out of place."

Vaxman appealed to the senate, and both he and the governor filed voluminous briefs in support of their respective contentions. According to the belated decision, the governor acted illegally, and a mandate was issued permitting Vaxman to begin business in Kholm at his pleasure.

Court officials sent to serve the papers, however, have been unable to locate the photographer, who long ago moved from Krasnastav. Folks there do not even know whether he is alive.

## IF BACK HURTS. BEGIN ON SALTS

FLUSH THE KIDNEYS AT ONCE WHEN BACKACHE OR BLADDER TROUBLES—MEAT FORMS URIC ACID

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
