THIS TIME THE BROWNS ARE DE-FENDANTS

For the Fifth Time in the Last Few Weeks, Klamath County is Paying Officer Mileage to Serve Criminal Warrants and Subpoenas in an Apparently Endless Neighborhood

For the fifth time in the last two weeks an officer of the law journeyed to Crystal Creek today to serve warrants of arrest on some of the belligerents in the Crystal Creek feud. This time S. A. Brown, Fred G. Brown and C O. Brown are the defendants, and they are charged with the destruction of a fence. They were arrested this afternoon by Sherts C. C. Low.

These cases are coming into court regularly, and as yet the only thing that has been accomplished has been the running up of mileage charges against the county by officers with warrants of arrest, officers with subpoenas to serve and witnesses summoned to appear.
