Cleveland Pastors to Have Eugenic Weddings

United Press Service
CLEVELAND, Ohio, June 12.—An announcement by a group of Cleveland ministers of refusal to marry persons who can not show a doctor's certificate of health will be made in a few days according to the Rev. T. B. McWilliams of Calvary Presbyterian church, one of the foremost leaders in

the eugenic movement here. At the same time the ministers will go on record as favoring the teaching of sex hygiene in the public schools. In carrying out their determination the ministers will have the co-operation of the Cleveland physicians, who will examine thoroughly every candidate for marriage referred to them by any minister of the association.

Ranchers within and adjacent to the Sierra national forest, California, have formed a co-operative association for the prevention of forest fires. They need to use fire in clearing land for farming, and will do it on a community basis, with all members present to prevent the fire's spread.

Cooked Food Sale.
Grave M. E. church Ladies' Aid Society will hold a sale of home cooked foods and candy Saturday all day at the Burn Hardware store.

Suffragette in Hands of the Police

When Mrs. Pankhurst made her attack with some scores of suffragettes on Buckingham Palace the other day, a lot of Englishmen, including royalty within and some hundreds of policemen, were very much frightened. Mrs. Pankhurst had announced that at a certain hour she would present a petition to the king. She didn't have the slightest idea that she would present the petition, nor did she even have a petition on her when she was arrested. She just wanted to excite the public, and in that she succeeded. Some 2,000 policemen were sent to the palace grounds and outside. Some 15,000 spectators gathered around to see

Lewis Says West Is After His Removal

SALEM, June 12.—That Governor West is lined up with the promoters of a Carey act company who have been engaged in a campaign to discredit him and obtain his removal from office of state engineer, was the charge made by State Engineer John H. Lewis, in a statement in reply to a statement made by Governor West,

with relation to an initiative bill to abolish the state desert land board and the office of state engineer. The engineer declares that this company asked Senator Chamberlain, when the latter was governor, to remove Lewis because he would not certify to certain lands, and that Governor West is now lined up with this company.

Rose Festival Will Close This Evening

PORTLAND, June 12.—Today was a legal holiday in Oregon and thousands of visitors came to Portland to witness the close of the Rose Festival, held annually to pay homage to the city's beautiful roses.

An industrial, commercial, fraternal, civic and military parade, nearly five miles in length, and containing a brilliant array of floral decorated vehicles, cars, floats and an almost endless vista of marching bodies, was held this morning. Tonight an electrical pageant consisting of sixteen floats, depicting the epochal historical events in the state's history from the coming of the white man to the opening of the Panama canal, will traverse the city's principal streets.

On the Deerlodge national forest in Montana one lookout station has the record of reporting accurately, by distance and direction, a fire that was sixty miles away.

Be Fair

A month or two ago considerable unfavorable comment was made concerning the so called "strength of the electricity" being delivered in the city of Klamath Falls.

The Council invested in a voltmeter and put it on the lighting circuit.

There has been a conspicuous absence of any report of the findings of this instrument.

We think it might be interesting to the customers of electricity to know what the Council found.

They found that the instrument has not shown a registration of less than 110 volts.

Do you know that the Rules and Regulations of the Railroad Commission allows a variation of 5 per cent below this figure?

OHIO HENS WILL SAVE THE GAME

HUNDREDS OF DOZENS OF PHEASANT EGGS ARE TO BE HATCHED BY BARNYARD MOTHERS IN A CAMPAIGN TO SAVE THE BIRDS

United Press Service
COLUMBUS, June 12.—The state of Ohio has put the hen to work. She will aid in the fight to prevent the extinction of pheasants in Ohio by hatching out baby pheasants and being foster mother to them as long as they will stay with her.

Hundreds of dozens of eggs have been shipped to the game clubs throughout the state, with instructions to have them set under hens. Club owners and members are told that hens will not hesitate to hatch them.

The baby pheasants, however, are rather feeble. They will stay with their foster mothers only long enough to learn to fly.

Nearly 3,000,000 young trees are being set out this spring on the national forests of Northern Idaho and Montana. On the St. Joe national forest in Idaho 3,000 acres will be planted.

The state of Pennsylvania celebrates two arbor days each year—one for spring planting and one for the fall—in April and October, respectively.

Approximately 750 acres on the Oregon national forest were planted with young trees this spring.

Carlton will expend \$50,000 on paving this year.

Summons
(Equity No. 585, Register 4, p.156)
In the Circuit Court of the State of Oregon, in and for the County of Klamath.

John A. Myers, Plaintiff;
vs.
Mary E. Meyers, Defendant.
To Mary E. Meyers, Defendant:
In the name of the state of Oregon, you are hereby required to appear and answer the complaint of plaintiff filed in this suit against you on or before the 8th day of July, 1914, that being the date set in the order of the above entitled court for your appearance and answer in the order for publication of summons, issued in this suit; and, if you fail to so appear and answer, plaintiff will apply to said court for the relief demanded in his said complaint, viz.: For a decree dissolving the bonds of matrimony heretofore and now existing between plaintiff and defendant, and for plaintiff's costs and disbursements herein.

This summons is published in the Evening Herald, a daily newspaper, printed and published and of general circulation in the city of Klamath Falls, county of Klamath and state of Oregon, under and by virtue of an order of the Honorable Henry L. Benson, Judge of the circuit court of the state of Oregon in and for the county of Klamath, made and entered on the 19th day of May, 1914, the first publication under said order, to be on the 26th day of May, 1914, and the last publication to be on the 7th day of July, 1914, being for six consecutive and successive weeks.
