

WHO SAID HARD TIMES?

THE stranger observing the crowds pouring into Atkinson's yesterday and today would be led to believe that money is very plentiful in Klamath Falls. The immense crowds that have kept us busy since the opening of our Sale is only evidence that the people are benefitting by the experience of the past. They know that an Atkinson Sale is the opportunity of the year for them, and that is when they outfit for months to come. They are able to save half by taking advantage of these bargains.

Everything So Cheap

It is wonderful how far your money will go at such low prices. I have been worrying how I was going to get along all summer, and now I have everything I need, and some pin money left over.
