Solid South Farmer
Is at Last Rewarded

United Press Service

WASHINGTON, D. C., June 24.—
The Solid South will come in for some
little reward for its half century of
democracy under the terms of the ag-
ricultural appropriation bill just passed
by congress.

Usually it has been an axiom of
democratic politicians that nothing
the South wanted was urgent, because
it would remain democratic anyhow,
and therefore it was far more impor-
tant to spend what money could be
spared, or distribute what jobs were
on tap, to sections which were more
doubtful, and which judiciously
placed patronage might win over to

the democratic column in the next
election.

On the agricultural appropriation
bill, however, the Southern repre-
sentatives and especially the Southern
senators, demanded appropriations,
and got them. So noticeable were the
appropriations for the cotton farm-
ers, and of such frequent occurrence
as the bill was perused, that Senator
McCumber of North Dakota proposed
an amendment, limiting the total ex-
penditures out of the more than \$12,-
000,000 appropriated, so that not
more than four-fifths of the entire
amount could be spent in the cotton
belt.

Odd Questions Arise
Over Workers' Law

United Press Service

SAN FRANCISCO, June 24.—Cal-
ifornia's industrial accident board
has been called on lately to answer
several peculiar questions in connec-
tion with the comparatively new
workmen's compensation law. Some
of them, with their answers, were
as follows:

Is the common-law wife of a work-
man, killed at his work, entitled to
compensation? No, because the
board does not wish to encourage il-
licit relations between the sexes, but
his legitimate child is.

Is lead poisoning an industrial ac-

cident? No; it is an occupational dis-

ease. Is compensation due to the rela-
tives of a man killed defending his
employer's store against a marauding
Mexican band from across the bor-
der? Yes, that is an industrial ac-

cident. Should a man suffering from a dis-
located shoulder due to what was ad-
mittedly an industrial accident, re-
ceive additional compensation be-
cause his convalescence was retarded
by the breaking of a pitcher on his
head in a fight he engaged in? No,
of course not.

Home From Encampment.

Mrs. O. W. Robertson returned last
night from Tillamook, where she at-
tended the annual convention of the
Women's Relief Corps, in connection
with the G. A. R. Encampment.

Women's Woes

Klamath Falls Women Are Finding
Relief at Last

It does seem that women have more
than a fair share of the aches and
pains that afflict humanity; they
must "keep up" must attend to duties
in spite of constantly aching backs or
headaches, dizzy spells, bearing-down
pains; they must stoop over, when to
stoop means torture. They must walk
and bend and work with racking
pains and many aches from kidney
ills. Keeping the kidneys well has
spared thousands of women much
misery. Read of a remedy for kid-
neys only that is endorsed by people
in this locality.

Mrs. H. M. Beckwith, 514 Oak st.,
Grants Pass, Ore., says: "I used
Doan's Kidney Pills in my old home
in Montana, and I have also used
them here in Grants Pass. I suffered
much from weak kidneys, brought on,
I think, by impure drinkink water.
Doan's Kidney Pills have strength-
ened my kidneys and improved my
health."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,

States.

W. G. Sharp, Our
French Ambassador

President Wilson has named Wm.
G. Sharp, representative in congress
from Elyria, Ohio, for ambassador to
France. Mr. Sharp's name has been
sent to the Senate, where it will soon
be acted on. If he is confirmed he
will take the place of Myron T. Her-
rick, former governor of Ohio, who
has long represented United States
at the French capital. While Mr.
Sharp has not shone as one of the
brilliant men of the house of repre-
sentatives, he has been one of the
solid men on the democratic side.

LADIES! SECRET TO
DARKEN GRAY HAIR

BRING BACK ITS COLOR AND
LUSTRE WITH GRANDMA'S
SAGE TEA RECIPE

Common garden sage brewed into a
heavy tea, with sulphur and alcohol
added, will turn gray, streaked and
faded hair beautifully dark and lux-
uriant; remove every bit of dandruff,
stop scalp itching and falling hair.
Mixing the sage tea and sulphur re-
cipe at home, though, is troublesome.
An easier way is to get the ready-to-
use tonic, costing about 50 cents a
large bottle, at drug stores, known as
"Wyeth's Sage and Sulphur Hair
Remedy," thus avoiding a lot of
trouble.

While wispy, gray, faded hair is
not sinful, we all desire to retain our
youthful appearance and attractive-
ness. By darkening your hair with
Wyeth's Sage and Sulphur, no one
can tell, because it does it so natu-
rally, so evenly. You just dampen a
sponge or soft brush with it and draw
this through your hair, taking one
small strand at a time; by morning
all gray hairs have disappeared. After
another application of two your hair
becomes beautifully dark, glossy, soft
and luxuriant, and you appear years
younger.
