

German Soldiers on the March Moving Cannon Stuck in a Field

Hundreds of cannon like this are being moved into Belgium by the German troops. One report said the other day that Berlin has ordered the mobilization of no fewer than 800,000 troops for the campaign in Belgium. Of course, that number would overflow King Albert in short order.

But the hard fighting of the Belgians has given time for the French troops to come up, and it is expected Great Britain will land soldiers in some German maneuvers the horses which haul the cannon are removed. They would not stand the strain of fighting, and in such cases the heavy guns must be moved about by hand.

New School Standard Is Arranged by State

New requirements for a standard school are expected in poster form from Salem by County School Superintendent Fred Peterson. The new regulations were compiled for the whole state, and supersede the county standard issued last year.

The state standardization requirements were adopted August 5th by the state board of education and will be put in force this fall among the rural schools of Oregon.

In but few counties of the state are such methods already in practice, and they have been adopted now

for the purpose of furthering the interest of the patrons, the pupils and the teachers of the various districts in the standing of the schools.

As soon as any district fulfills any of the number of requirements it will be marked with a star, and when all are fulfilled a suitable pennant or certificate will be awarded by the county superintendent.

These posters will be distributed by Mr. Peterson to all schools of the county where they may be posted in a conspicuous place about the school buildings.
