actor created by ability and honsety that gives the paper the confidence of the public. Accuracy in publishing the acts and thoughts of men gives a paper great influence in moiding public opinion. The average of ince is so much higher than foring nows the people noon notice it. Third and Pine Streets. J. S. ind the paper suffers as a result in blocket.

of a newspaper subscriptions and advertising. While advertising is the main source of revenue of a news paper, for without it a paper could not exist, still a paper's first obliga-tion is to its subscribers. Being inand advertising comes to such a pa-per naturally. The advertiser knows that by advertising in a paper he converts a part of the influence or powe of the paper to his advantage, as aders give weight to adverti se well as nows that appear in a pe-

er in which they have confidence. Some merchants do not advertise ause they are doubtful of results. One little doubt stored away in a Grace Methodies Episcopal Church-merchant's mind exercises the same Dower over him that the tempenny C. Richards, minister. nail does over the locomotive before it gots under headway. But when rehant gets started in a sysmatic advertising campaign he aughe at his doubting follow morchants who fall to see the power in at 11 a. m. good advertising-fall to appreciate the power of the press.

Scattered Shotz

JOHN D. is not alone to blame for the high cost of gaseline here. The freight on a recent our shipment from Richmond, Calif., was \$545.55.

GOVERNOR WEST has done only one good thing for Klamath Palls. That was when, by his letter of con-domnation he boosted Judge Benson's chances for the supreme beach.

A TREATY OF PEACE is a good thing and highly desirable, but a long range gun has a beap bigger ef-fect upon the other fellow.

"CROWNS OF autumn hats are high and port looking," is the word from fashion headquarters. No mention is made of the weavers.

A SCIENTIST says women can talk more than men with less fatigue be-cause their threats are smaller, and they tax their lungs and vocal cords less. Is this a solution of the world's realest mystery?

GERMAN SCIENTISTS think the to of military science has been d. That's consoling. Now we
