A subject that ought to interest every business man, THE ADVERTISING MEDIUM AND THE ADVERTISEMENT Read these articles published in the Herald exclusively. This is ne of the first of four articles that will appear in the Hernid.

"The Mutual Girl and Her Auntie"

What constitutes a good advertisement? Why does one advertisement "pull" and another not "pull." How is an advertisement to be judged, whether it will "pull"

What is the secret of the advertisement that "pulls"? Can you answer these questions, Mr. Advertiser, to satisfy your

These are not academic questions. They are questions that you should be able to enswer to yourself, whether you spend one dollar or one thousand for advertising; whether it is newspaper, magazine. program, billbeard, street car sign, picture show, or what not ad-

Ten or even five years ago advertising was as much a matter of guessing as a matter of the gilb talk of the advertising solicitor.

Today we demand facts. We demand results. When we spend a tollar or a militon for advertising we must know beforehand that

this amount is an investment, not an expense. How?

By studying beforehand our sales problems, the mediums to be used and the advertisements themselves.

STUDY OUR ADVERTISEMENTS. ARE THEY BUILT TO ATTRACT ATTENTION?

DO THEY AROUSE AND MAINTAIN INTEREST! DO THEY STIMULATE PURCHASES?

DO THEY COMPEL ACTION? ... de will take care of your det your advertisement in the Herald: we will take care of your opy and make it PULL.

(This article will be continued tomorrow).

DADDY The local conditions, the peculiar surroundings, your particular trade in this district, requires quite a different form of advertising that it would in Alasko. Butte, Montana; in the cotton regions or in the orange district of California.
