POLITICS AND BUSINESS

THERE are still a few of the old-time party men who cling to the customs and practice of the old days of political corruption.

There are some today who will accept an important part in the leadership of their party.

Verily, verily, the good old days of politics are gone.

The Herald is a republican paper. It is proud of the republican party and of its achievements.

The Herald fought for Worden and jeopardized its business when it believed he was right.

The Herald owes a duty to the people of Klamath county.

The Herald would much rather have the good will and confidence of the reading public than earn the reputation of being a tool of the political bosses.

OF COURSE HE'S SCARED

THE action of Senator Chamberlain, democrat, of Oregon, in securing a leave of absence by resolution from his duties in the senate.

Senators Jones of Washington, Smoot of Utah and Gronne of North Dakota, are being attacked from every platform in their respective states.

Is any one of them asking to be excused from duty to go home and play politics? No!

WHY YOU SHOULD VOTE FOR BOOTH

Republican Candidate for United States Senator

Are you better off now than you were under a Republican administration?

Are you satisfied? If you believe in the principles of the Republican Party, if you are convinced that these principles are best for the country, then prove it by voting for your standard-bearer, Robert A. Booth, Republican candidate for the United States Senate.

You know that under Republican Presidents the people of the United States have good times.

You know that under Democratic Presidents you have democratic times.

Remember the prosperity under McKinley, Roosevelt and Taft.

Remember conditions under Cleveland and Wilson.

The issue in this campaign is not one of personality. It is not one of non-partisanship.

Do you have enough work? Are your wages good? Is your business what you want it to be?

If you are satisfied with present conditions, well and good; if you believe that the present situation is better than under McKinley, Roosevelt and Taft, you know what to do.

The way to bring back prosperity is to help elect a Republican Senate. The Republican candidate in Oregon is R. A. Booth.

This is a Republican year. Vote the ticket straight. (Paid Advertisement—Republican State Central Committee, Imperial Hotel, Portland, Ore.)
