NOT A CONCERN ON THIS PAGE THAT WILL NOT HELP THE HOMES OF THIS CITY TO SAVE MONEY
PATRONIZE THE REGULAR ADVERTISER—HE IS A LIVE CONCERNAUNTIE—Do you know, Lucille, I like that firm of VAN RIPER BROS. They suit me to a "T". I like their
snappy way of advertising, and their keen interest, taken when a customer calls in their place. I like that phrase
pretty well, Lucille, that they use so much—"RIGHT ON THE JOB!"LUCILLE—Yes, I know, Auntie; any article in the grocery line you purchase from they guarantee to be
good, and they invite the customer to bring it back or tell them about it, if it is not all it should be.AUNTIE—Yes, Lucille, you may depend upon VAN RIPER BROS. for anything you buy in the grocery
line. They will tell you just what the quality is, and want you to know just what you are getting.LUCILLE—And you know, Auntie, the other day when my dinner was late, and I ordered some things
over the phone—their phone number is EIGHT FIVE ONE—\$5.11—it came right up promptly. That's
what we want now-a-days in these hurry-up times, isn't it, Auntie?AUNTIE—Well, Lucille, that's just why I like to deal with them. If anything that I know of is provok-
ing, it is to order something that you are really in need of, and in a hurry for, and then it comes dragging
along a couple of hours late. My, but that makes me furious!LUCILLE—Another thing I like about VAN RIPER'S GROCERY STORE, Auntie, is this—it is so handy;
right about in the middle of the town, and they have a nice, attractive store, and keep it so clean and neat—

AUNTIE (interrupting)—What is the number of their store, Lucille?

LUCILLE (referring to the phone book)—It is 532 Main street, Auntie.

MORAL—For fancy and staple groceries and prompt deliveries, go to VAN RIPER BROS. They will
serve you well.
