## "THE FARM BOY'S CREED"

"I BELIEVE that the country which God made is more beautiful than the city man made; that life out-of-doors and in touch with nature is more natural than life of man.

"I believe that work with nature is more inspiring than work with the most intricate machinery.

"I believe that the dignity of labor depends not on what you do, but how you do it; that opportunity comes to a boy on the farm as often as to the boy in the city; that life is larger and freer and happier on the farm than in the town; that my success depends not upon my location, but upon myself; not upon my dreams, but upon what I actually do; not upon luck, but upon pluck.

"I believe in working when you work, and in playing when you play, and in giving and demanding a square deal in every act of life."

## Scattered Shots

BEFORE THAT FELLOW gets through telling you what a booster he is for the town, decide for yourself by seeing if he has numbered his house. If he hasn't, instead of being a consistent booster, he is one of those who blocks free mail delivery for the sake of two bit's worth of tin numerals.

WE ALL AGREE that the press reports are distorted. The pro-German will tell you that all that can be relied upon are those from Berlin and Vienna. The Allies force supporter says "you can depend only upon those from Paris, Petrograd and London."

AND FROM TODAY on, the ducks and geese can look forward to a few months of government protection.

WHY NOT a closed season now on Christmas and New Year's gags?

## Six Thousand Mile Motorboat Race to End at the Panama-Pacific International Exposition

SCENE ON THE EXPOSITION YACHT HARBOR ON SAN FRANCISCO BAY.

The New York to San Francisco Cruising Power Boat Race for a prize of \$10,000 offered by the Panama-Pacific International Exposition, starts at Sea Gate, New York, from the Atlantic Yacht club on Oct. 1, 1915, and finishes at the Exposition

Yacht Harbor on the Exposition grounds in San Francisco. It is the most important event in the history of motorboat racing. The course is laid from New York to Charleston, South Carolina, to Key West, around the western end of Cuba and on through the Caribbean sea to Colon,

passing through the Panama canal to Panama northward to Corinto, Nicaragua; to Salina Cruz, Mexico; to San Pedro, California, and ends in San Francisco bay. The finish of the great race is timed to occur during the splendid International Yachting Regatta to be held there, and several hundred thousand spectators

will crowd the finish as the contestants dash in through the Golden Gate past the wonderful City of Palaces that has grown there to receive the honors due the winners and the losers of the most spectacular race of its kind ever run.

San Francisco bay is one of the finest harbors in the world and by many it is considered to be the most beautiful. It is ideal for yachting and boating, being protected on the ocean side by high hills and Mount Tamalpais, the only opening being the Golden Gate. The Exposition Yacht Harbor offers safe anchorage for yachts and power boats and is itself within the Exposition grounds.

## NEWSY NOTES OF KENO'S PEOPLE

THE KLAMATH FALLS BASKET SHOOTERS ARE PRAISED AS "GOOD FELLOWS" BY KENO-ITES—OTHER NEWS NOTES

(Herald Special Service)

KENO, Jan. 15.—Ellis Janquette, Ester and Edna Kerns, Brice McCormick and Gussie Ruckett were out of school yesterday on account of sickness.

There will be a hard times' social given at the hall next Friday evening. Come and have a good time.

The hunters were very busy yesterday, as the season will soon close.

Brice McCormick, Jr. is busy hauling wood which he will take to Klamath Falls soon.

Wm. Brennen and Joe Oscar transacted business in Keno yesterday morning.

One of the most pleasant occasions which the winter has witnessed, and we are inclined to believe, one of the most pleasant in the history of Keno, took place last Saturday evening in the Padgett hall, when the basketball boys of Klamath Falls met those of Keno in a hotly contested battle for laurels.

Two games were played, one between the public school teams, and the other between a team consisting of three of the "Kewpies" and two of the high school team. Our public school team won over Klamath Falls school by a score of twenty-five to twenty-eight points, being largely composed of field goals, as there were but few fouls thrown. The Klamath Falls larger team won over Keno by a score of thirteen to thirty-eight.

We think we have never seen a more likely bunch and one that could stand defeat and better than the Klamath Falls public school boys. Nothing but the best of feeling seemed to pervade the atmosphere at the close of the games.

We would not close without speaking of the work of our faithful referee, Prof. W. C. Morris, who stands "four square" to the world, and whom we think no one could but be the better for having met.

Here's hoping that Klamath Falls may have just as agreeable time when they meet the Merrill bunch this evening as we enjoyed last Saturday evening.

We hope at an early date to meet the boys in another friendly contest.

## LADIES! DARKEN YOUR GRAY HAIR

WHEN MIXER WITH SULPHUR IT BRINGS BACK ITS LUSTRE AND ABUNDANCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, use a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff; stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

## DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

## RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

The man who eats apples has little desire to drink. BAGLEY'S APPLE JUICE should be more widely used. 24tf
