Dancing is certainly holding the attention of Klamath Falls social sets at present, for from now until the Lenten season, there are hops scheduled for every week. Last night the Klatawa Club held the second of its snail series, and next Friday night, Klamath Falls Lodge, No. 1247, Benevolent and Protective Order of Elks will hold its fourth annual ball, for Elks and their ladies. On the following Friday night a number of popular local young women will be hostesses at a combined card and dancing party, and on the night of February 19, the Klatawa Club will close its fourth season of dancing parties. All of these hops will be held at the White Pelican hotel. In addition to these, there are dances at Moose hall every Saturday night, given by Klamath Lodge, Loyal Order of Moose, and for which season invitations were issued a couple of weeks ago.

The Klamath Falls Volunteer Fire Department's annual St. Patrick's day ball is also on the calendar of coming events. Chief Ed Wakefield, Jack Pringle and Will G. Wilson are in charge of the affair, which will be held in Houston's opera house, and which as usual will be largely attended.

Mr. Aubrey R. Campbell was the hostess to the Leisure Hour Club on Wednesday afternoon at her High street residence. Mrs. Harry Anglin, Mrs. Silas Obenchain, Mrs. Arthur E. Whitman and Mrs. Marquette were present as guests. In addition to the club members, Mrs. Thomas F. Hampton, Mrs. Aubrey R. Campbell, Mrs. Elbert B. Hall, Mrs. Louis G. Van Belton, Mrs. M. S. West, Mrs. G. A. Krause, Miss Jennie Harris, Mrs. Maxwell M. Long, Mrs. Charles I. Robertson, Mrs. Henry Newnam, Mrs. O. W. Robertson, Mrs. Fred Schallack, Mrs. Bert E. Withrow,

Gowen, Miss Norris, Claude Maxwell, Lawrence Kinneer and Harold Lincoln at five hundred Thursday evening, and the evening was spent most enjoyably by all of the guests. Refreshments were served.

Mrs. Thomas Hampton is confined to her home by an attack of bronchitis.

An added attraction at last night's Klatawa Club dancing party was a "ball" dance, in which the dancers demonstrated their "footwork" by kicking the bounding rubber sphere without losing step to the dancing. One couple simultaneously kicked—the floor, but this was the only mishap, and the innovation was enjoyed. By popular request the "pop" dance was given on the program. The "pop" dance, as it is known, is a species of the "tag" dance. In the latest case, the tagging being done with a resounding slap on the gentleman's back with an inflated paper sack. Another addition to the program was instruction in the Spanish Heintation, given to the assemblage by Professor Raymond, of Sacramento, who is forming a dancing class here. Altogether, last night's dance was one of the most enjoyable hops of the season, and the next one of the Klatawa series is being looked forward to eagerly by the lovers of the Terpelchorean pastime. Tindall's orchestra rendered music for the affair, which was as usual held at the White Pelican hotel dining room.

There will be big doings in Mills Addition hall this evening, as this is the night of the Mills Addition Embroidery Club's party to the people of that addition and vicinity. A varied program of events has been planned, and refreshments are to be served.

tion of meats. In addition, a paper on "The Modern Home" was read by Mrs. Wilbur Jones. These meetings are held alternate Friday afternoons, and are highly enjoyed by all attending.

Hawley, Mrs. Harry Goeller, Mrs. L. L. Truax, Mrs. Bert Carl Thomas, Mrs. George A. Haydon and Mrs. Arthur R. Wilson.

LOCAL PIONEER MERCHANT IS ELECTED PRESIDENT OF THE STATE HARDWARE MEN'S ORGANIZATION

A well deserved honor has been bestowed upon Hon. George T. Baldwin by the Oregon Hardware & Implement Dealers Association, now in session in Portland, by his election as president of the association for the ensuing year.

Judge Baldwin knows the hardware game from A to Z, and he has been successfully engaged here in this line of merchandising since the early seventies. Baldwin's progress is not along confined to the hardware business, as he has long been a big Klamath booster, and it was during his administration as county judge that the splendid Klamath county high school was built.

"Made in America"

This gown worn by a well known society woman, was made in America on plans of an American designer. She wore it recently at a social function at her home, and most of the women present who were good judges of clothes were taken with the gown of their hostess. In selecting the decorations for her entertainment she first considered her own gowning, including the suitability of the certain colors to herself. Her choice fell upon yellow, and with yellow she arranged her drawing rooms, having flowers of yellow with backgrounds of green ferns and foliage, and here and there a cluster of white flowers entered into the arrangement.

Her lights were shaded with yellow and with it all the effect achieved was so much like soft sunshine as could be got. All of her plans were so rearranged as to set off to advantage herself and her gown—a veritable "Sunshine" gown.
