CLEANING UP

SN'T IT about time for Klamath Falls to receive a general cleaning up! The entire Coast is this year being visited by more Eastern and Middie Western tourists than ever before many of them looking for locations in that part of the nation that Greeley advised the young man to go to. Lit- Scor tle things, such as tidiness, make a rest first impression.

But it is not for the edification of be visitors that a clean-up is needed. The matter of health is to a certain extent involved.

We've had clean-up days every year for about three years now, and the effect has been a marked improvement follow. in the town's appearance. In each of these cases, the city has furnished teams to haul tin cans, etc., out of the city limits, and the clean-up has been thorough.

Why not a "spotless town" all year round? Why let the town be classed with the man who takes a bath once a Let the city set a certain day or

Y. they accumulate. The placing of large box or can in a back yard sack yard unsightly, and as these containers fill, they can be dumped into wagon and hauled out of the city. Perhaps some arrangement could be made with transfer companies to haul these cans away at a small price to

There is no doubt but what the majority of the people of the city will gladly welcome such a method of disposing of refuse. And in the case of those who seem inclined to let the rubbish accumulate, an ordinance, perhaps, could be passed to compell hem to keep their yards tidy.
