

The wonderful record and by Diamond Tires last per proves that they are the structurally.

proves that the materiwe put into Diamond Tires e the weight, strength and paring qualities that combine o give the most economical misage in actual service.

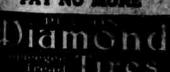

ecently we conducted a st by mail to find out what there and tire dealers had to y about 1914 Diamond Tire . The hundreds of letreceived from them show that Diamond Tires have more n made good.

I parts of the country, show that Diamond Tires in 1914 established a service record which stands agreeme. We have put these letters into a book. They furnish concrete evidence of the big milesge e letters from dealers in sond users get and the free-from tire troubles they enjoy.
