## Woman College President Receives \$10,000,000

Miss Mary Carey Thomas, president of Bryn Mawr College, will receive the bulk of the \$10,000,000 estate left by her friend Miss Mary Elizabeth Garrett, who was the daughter of John W. Garrett, late president of the Baltimore and Ohio railroad, according to the will probated in Baltimore. Miss Thomas is the residuary legatee and also executrix under the will. Bryn Mawr College, of which Miss Garrett is a graduate, receives no bequest, but the terms of the will indicate that Miss Thomas and Miss Garrett, who had been close friends for years, had an understanding according to which the college will receive substantial benefits.

## CHAUTAQUA TO BE INTERESTING

SINGERS AND ENTERTAINERS OF GREAT REPUTE ARE TO APPEAR AT KLAMATH FALLS DURING SUMMER ASSEMBLY

The following letter from the Hillson-White Chautauqua System gives a hint as more of the good things to be heard at the Klamath Chautauqua Assembly to be held here six days this summer:

"Two years ago Pacific Coast Chautauquans heard for the first time the best of all lady readers, Marietta La Dell, and her success was so great that she has been secured to give two programs for you this summer. Miss LaDell makes a specialty of impersonating children, and also of giving humorous selections, and her repertoire is replete with funny and serious pieces.

"Another charming woman who will be with you this summer is Marion Ballou Flak, a splendid cartoonist and "chalk talk" lecturer. Mrs. Flak has had some wonderful experiences, and will tell of them in her inimitable manner, and illustrates each point with her splendid drawings.

"In the musical line we are glad to announce a dandy Jubilee Company. W. C. Buckner is a past master when it comes to furnishing real talented colored musicians, and this company is unusually well equipped with voices and well trained. Come to these programs prepared to hear old Jubilee songs.

"We want to say to you in all sincerity that the programs we are building are very strong and well balanced, and you must not let anything interfere with your regular attendance at all sessions.

### Moving Pictures

The Star theater presented an exceptionally good mid-week program to patrons last night. The feature of the bill is the three part Lubin drama "Officer Jim." It is a worthy offering in every respect. One of "The Hazards of Helen" series was also shown, and proved to be up to the standard of this popular series. "Such a Hunter" is one of the best of Bunny comedies seen here in a long time. The program will be repeated tonight for the last time.

The Star announces a big attraction for tomorrow and Friday, when the big eight part film production of Jack London's famous story, "Burning Daylight," will be exhibited. This is said to be the best feature of the London series released up to date. A matinee will be given on Thursday at 2 o'clock.

**DRINK HOT TEA FOR A BAD COLD**

Get a small package of Hamburg Brand Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.  
Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

**RUB BACKACHE AND LUMBAGO RIGHT OUT**

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil  
When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 25 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.  
Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.  
Nothing else stops lumbago, sciatica or lame back misery so promptly!

Fourth and Klamath  
There was a man came into the store this morning and told us that he has been all over the country, hunting for a decent place to live, and that Klamath looked pretty good to him, and he thought he would camp right here. Anyhow, he bought a whole lot of stuff. He picked out a bed for \$8.50, a spring for \$5.50, a mattress (a McROBKEY) for \$12.75, and a nice range with a polished top for \$40.00, a set of dishes for \$7.50, an outfit of cooking tools for \$10.00, four joints of stovepipe for \$0c a joint and an elbow for \$5.  
He said he liked to trade where he could get the whole layout in one place.  
P. S.—4:30 p. m.—Mr. WILLIAMS of the Willis-Johnston Furniture Co. just passed here on a bicycle. We wondered if he had been down about the lake, looking for a place to dump the old mattresses.
