

PEACE COMMITTEE HISSED BY CROWD IN ITALY TODAY

THE WAR DEMONSTRATIONS CONTINUED

Russians Admit a Gradual Retreat From Gallia, With Heavy Losses to Both of the Armies—Gas Bombs and Cannon Are Again Much in Evidence in the Fighting Throughout Western Field.

United Press Service
ROME, May 13.—War demonstrations throughout Italy have become stronger than ever. Efforts to preserve peace seem doomed.

A crowd of thousands this morning met and cheered the king. When the peace committee passed the throng hissed.

King Emanuel is in conference with the cabinet officers and a number of foreign diplomats. Prince von Tschadow, the German ambassador, is attending this session.

The socialist parliament today decided to oppose the war, and use its influence to prevent an outbreak.

United Press Service
PETROGRAD, May 13.—It is claimed that the Russians sank three Turkish ships in the Black Sea yesterday.

That the Russians are gradually retreating from Gallia is admitted. Heavy losses are reported on both sides, but it is claimed that the German losses are appalling.

The war office today states that the German troops taking Libau have retreated before Russian reinforcements.

United Press Service
PARIS, May 12.—Today's official communique says:

The Germans retook Loos trench. The French continue efforts to pierce the German line between Lens and Arras, and to prevent this the Germans are rushing reinforcements.

The French attack along the whole line from Rheims to Belgium is now in progress. There are artillery duels between the Vosges and Rheims.

The Belgian troops are holding the Dixmude bridge, and the British are straightening out the allies' lines, despite the gas bombs used by the German artillery in Flanders.

Returns to Chillicothe.

Project Engineer H. W. Hinks of the Modoc Point Irrigation project left this morning for Chillicothe, after a short sojourn here. He reports that fishing is poor on the reservation streams, and says anglers never had better luck than at present.

Wellesley College students have completed a fund to purchase and equip a military ambulance for service in France.

BRITISH SAY NO MORE SHIPS LOST

ADMIRALTY ISSUES DENIAL OF BERLIN WIRELESS STORY THAT SEVERAL WARSHIPS SUNK OFF BERGEN

United Press Service
LONDON, May 12.—The admiralty categorically denies the claims made by wireless from Berlin that the British warships Superb and Warrior were sunk, the cruiser Lion badly damaged, and other vessels injured in a battle off Bergen.

The admiralty declares that no such fight has occurred.

IMPORTANT MEET IS ON TONIGHT

ILLUSTRATED LECTURE, CONFERENCE ON GOOD ROADS DAY AND OTHER MATTERS UP TO BUSINESS MEN

There will be several matters of importance up before the Klamath Falls Business Men's Association, when its meeting is held this evening in the council chamber at the new city hall. And by way of diversion, there will be a lecture on the "Fly Evil" given by School Superintendent Dunbar, and illustrated by views flashed by Elder S. D. Harlan.

At this time representatives of the Klamath Chamber of Commerce, the county court and the city council will meet with the business men to discuss plans for a thorough observance of Good Roads Day, May 20th. It is planned to have all of the business houses closed that day, and all the available men at work on county and city roads.

Besides this, several other matters of importance are to come up.

Riggs National Bank Injunction Case Is Up

United Press Service
WASHINGTON, May 12.—The suit of the Riggs National bank to enjoin the comptroller of the currency from withholding \$5,000 interest on government bonds as penalty for alleged violation of certain banking regulations, and charging Comptroller Williams and Secretary McAdoo with conspiracy to wreck the bank, came up before Judge McCoy of the district supreme court this morning.

believed it will open up important questions involving governmental jurisdiction over banks. "Biggest thing since Jackson's fight with the banks," is one way it is expressed.

The manner in which the administration regards the litigation is shown by the fact that Samuel Undermyer and L. D. Brandies have been chosen to assist the attorney general's office in defending the treasury officials—and possibly in carrying further the charges openly made against the bank by Comptroller Williams.

President Wilson and his cabinet are known to have considered the case in cabinet meeting.

H. E. ANGLIN IS ARRESTED ON A BIGAMY CHARGE

SHERIFF GOES SOUTH TO GET PRISONER

Former Superintendent of Construction on the Klamath County Court House, Who Married Local Girl, Is Charged With Failure to Divorce His First Wife—Waives Extradition Rights.

United Press Service

SAN FRANCISCO, May 12.—At the city prison this morning Anglin refused to discuss his case, except to say that he would not fight extradition. He insisted that he can clear himself of the bigamy charge, but said he would not make a statement today because anything he would say might seem to reflect on his wife in Klamath Falls. Anglin stoutly maintains that the Oregon woman is his only wife. He says he will be able to prove this upon the arrival of Sheriff Low from Klamath county tomorrow.

Charged with having another wife at the time he married Miss Nina Noel, a well known local young lady on Thanksgiving, Harry Anglin was arrested yesterday by the San Francisco police. He waived his extradition rights, and Sheriff Low left this morning for the city to bring Anglin back for trial.

Anglin was for two years or more superintendent of the Klamath county court house construction work. A greater portion of that time he kept company with Miss Noel, and following her graduation from the Klamath County High School last summer the pair were wedded in the fall.

There were many little rumors about the effect that Anglin was married before he came here, and that although he and his wife had separated they had not been divorced. Some believed that it was delay in getting the divorce in California that prevented an earlier marriage here.

Anglin's job with the county expired January 1. A short time ago it is stated by several, he intimated that the county court had decided to tear down the partly built new court house, and rebuild it on the old court house site, and he was to do this work, receiving about \$74,000 for his services. On the strength of this, it is alleged, Anglin tried to borrow \$3,000, but so far as known, with no success.

The county court denies any such understanding. Judge Hanks stated that when Anglin was given his December salary warrant, he was informed that the court was through with him.

A few days after the foregoing events, Anglin left for California. He went ostensibly on a business trip, but soon it became noised about in certain channels that he was gone for good. These stories, and others, began to reach the ears of Mr. and Mrs. Fred Noel, the young bride's parents, and shortly after Anglin's departure Noel left to make some investigations.

The result of his trip was the arrest of Anglin by the San Francisco police. An information, charging bigamy, was sworn to by Mrs. Noel yesterday, and a warrant for arrest was telegraphed to Chief of Police White at San Francisco by the county authorities. Sheriff Low took the original warrant south with him this morning.

The heartfelt sympathy of the entire community is extended to the Noel family in their hour of trouble. The girl who became a bride last Thanksgiving is highly thought of by all her acquaintances, and is popular in local society. For the sake of all concerned, and especially the young woman, it is certainly hoped that Anglin will be able to straighten out this most embarrassing predicament.

Big Booster Banquet

Community Builder to Address Meeting Next Month

COLONEL W. H. MILLER

Something a little out of the ordinary in a "love feast" is to be held here in June, according to plans being outlined by the Klamath Chamber of Commerce. This will be a big banquet at the White Pelican Hotel, when ways for the development of the community along the best lines will be talked, and a closer union among the business men, the farmers and other residents of the county.

As a special attraction at this banquet, plans are being made to have Colonel W. H. Miller, community builder for the Western Lumbermen's Association and noted far and wide as a lecturer and humorist, present to deliver the principal address. Colonel Miller has attained a great reputation as a consistent booster for community development, and for stimulating local pride and activity for the betterment of the "home town." He is a

WAS BILICKE SAVED OR NOT?

CONTRADICTORY TELEGRAMS PUZZLE THOSE INTERESTED IN MAN WHO WAS PASSENGER ON THE LUSITANIA

United Press Service
LOS ANGELES, May 12.—It is reported today that A. C. Billicke, a Los Angeles capitalist, was among the unfortunate ones who went down when the Lusitania was destroyed by German torpedoes.

Shortly after the disaster, the family of Billicke received a telegram which was very laconic, but reassuring. It was:

"Saved. Billicke."
New York lawyers are today investigating another telegram which is as follows:

"Billicke's body found."
The family of the capitalist are greatly concerned, and feel that some mystery is connected with the matter which does not appear on the surface.

Levinisky vs. Terry Kellar
United Press Service
AKRON, May 12.—Battling Levinisky is scheduled to meet Terry Kellar, the California heavyweight, for ten rounds here tonight. Levinisky is fully recovered from his injured hand, which kept him quiet for a couple of weeks recently.

BRITISH RIOTS AGAINST ALIENS REAL MENACE

FORCE BEING USED IN MANY PLACES

Police Being Unable to Cope With the Outbreaks Against Germans. Cabinet Takes Up the Question in Meeting Today—Seventeen More Bodies of Lusitania Victims Recovered Today.

United Press Service

LONDON, May 12.—The anti-German riots that have broken out since the sinking of the Lusitania have reached such a frenzied state that the police cannot control the mobs. A special meeting of the cabinet to consider the alien enemy problem, was called today, and at this it was decided that all enemy aliens, whether naturalized or not, should be interned for safety.

Hundreds of stores and houses of aliens have been broken into and demolished and looted. Many aliens have been beaten by the mobs.

In several places women are in the mobs, and they have fought the police, tearing off their uniforms.

Scores of women, men and children have been arrested, and the hospitals are full of people with broken heads from the clashes. Near Smithfield it is reported that a number of shots were exchanged.

The mob leaders work their followers into a frenzy by singing "Rule Britannia." Near Liverpool the rioting is especially rabid.

United Press Service

QUEENSTOWN, May 12.—The steamer Flying Fish brought seventeen more Lusitania victims' bodies to port today. One was identified as Percy Secomb of Boston.

Reports of the recovery of Alfred Vanderbilt's body are not confirmed. Statements to that effect are believed untrue.

BONANZA NINE TO PLAY BALL HERE

A return game between the Klamath County High School baseball team and the Bonanza team will be played at Modoc Park Friday afternoon. The game will be called at 3 o'clock.

The two teams clashed at Bonanza Friday last, and the fans in attendance witnessed nine rattling good innings of baseball as a result. The final score was 4 to 3, in favor of the students, but reports from the Clover Leaf City region indicate that Bonanza is coming down Friday loaded for victory.

Stage to Ply Between Bend and Fort Klamath

An automobile stage line of much importance in Central Oregon is to be established between Bend and Fort Klamath. George Hoyt of the Wood River garage will operate the transportation company.

Two machines are to be used, so the stages will leave Bend and Fort Klamath at the same time, passing near Crescent. The trips will be made on Tuesdays, Thursdays and Saturdays, and the initial trip will be made Tuesday next.

WILSON'S COURSE IN PRESENT FUSS ALMOST DECIDED

NOTE TO GERMANY IN PREPARATION

Believed From Remarks Dropped by Officials That This Asks Kaiser's Country to Outline More Definitely Its Policy Regarding Shipping, and Asks That There Be no More Attacks on Shipping.

United Press Service

WASHINGTON, D. C., May 12.—The German note was completed this afternoon. It is reported that the delivery of it is being delayed to give Americans a chance to quit Germany, and rumor says Bryan cabled Ambassador Gerard a suggestion that Americans go to Switzerland for refuge.

It is also whispered about that a possible severance of diplomatic relations with Germany was discussed at yesterday's meeting of the cabinet.

It is learned today that the government intends to muzzle some of the radical German newspapers that exhortate the government by denying them the use of the mails.

United Press Service

WASHINGTON, D. C., May 12.—Following a conference with President Wilson, Secretary Tumulty made the following announcement today: "The course of the president has been decided upon. It will be announced just as soon as it is possible to publish the note now in course of preparation."

It is believed that President Wilson plans to ask Germany to define her policy toward American shipping in the war zone. It is also believed he will request assurance that there will be no more recurrence of the Cushing and Gulliflight affairs, and will refer to the sinking of the Lusitania, Frye and Falaba.

It is understood that the note will be firm. It will be sent to Berlin tonight or tomorrow.

Nobody believes that the administration will adopt a warlike attitude. The state department is busied with this affair. Wilson and Bryan are personally handling developments.

Optimists believe that Germany's reply will be foreshadowed with conciliation. Others predict an evasive answer to Wilson's note, or a flat refusal to comply with the suggestions.

National Charities Convention

INDIANAPOLIS, May 12.—This city cast a greedy eye toward Baltimore today, where the delegates to the national conference of charities and corrections are gathering. A delegation of local men have gone there to bid for the conference for next year. The local Chamber of Commerce was prime mover in the attempt.

Stage to Ply Between Bend and Fort Klamath

such that stops will be made at Harp, La Pine, Crescent, Lonroth, Sheen Ranch and other places. On Mondays, Wednesdays and Fridays a car will be sent to Chillicothe to pick up any passengers who may wish to go on to Bend, or to catch the train from Chillicothe to this city.

Besides carrying passengers, the stage line will also transport freight and baggage. Arrangements have also been made for private mail delivery for farmers living along the stage route some distance from post offices.
