# IAKE SALIS FUR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric soid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dissiness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a takespoonful in a glass of water before

breakfast for a few days and your kidneys then act fine. This famous salts is made the acid of grapes and lemon juice, comb with lithis, and has been used for general to clean clogged kidneys and atimulate to normal activity, also to neutralise the in urine, so it no longer is a source of irritathus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, a delightful effervescent lithis-water drink everyone should take now and then to here kidneys clean and active. Drawnists has they sell lots of Jad Salts to folly the latest overcoming kidney treakle white the
