### TODAY'S ODDEST STORY

United Press Service  
GENEVA, O., July 28.—City officials have ruled that a parade is a vehicle, and must carry lights before and behind. The drum major of a procession recently sported a tiny electric headlight on his cap and a red light winked warningly from the coat tails of the snare drummer.

If you are looking for a home in the city or country, see Chilcote, 685 Main street.

### All Tired Out

Hundreds More in Klamath Falls in the Same Plight

Tired all the time, weary and worn out day and night, back aches, head aches, your kidneys are probably weakened. You should help them to do their work. Let one who knows tell you how.

Frank Longwill, 102 S. Mistletoe street, Medford, Ore., says: "I had severe, sharp pains in my back, felt tired, languid and run down all the time. The kidney secretions were unnatural and too frequent in passage. My rest was badly broken at night. Four boxes of Doan's Kidney Pills rid me of all symptoms of kidney and bladder trouble. I have had no complaint since."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Longwill had. Foster-Milburn Co., props., Buffalo, N. Y. (Paid Advertisement)

### He Left Us Well Provided For

ALL the long weeks he suffered after the accident his hospital expenses were paid and I got \$50 a week, every four weeks, in addition because he had that AETNA DISABILITY POLICY.

He'd had this policy a number of years. It cost so little we never missed the amount. When he left us, it was costing no more than when he first took it out, and all those years the insurance was increasing rapidly.

Baby and I have several thousand dollars now because of my husband's foresight. I shudder to think of what a frightful struggle life would be had he put it off until too late. The world looks none too kindly upon widowhood.

## New Wonder of West

Daniel Tipple

Here is the Indianapolis American Association pitcher for whom Colonel Jacob Rupert and Captain T. L. Huston, new owners of the Yankees of New York, were reported to have paid \$10,000. They do not themselves say they paid that sum, but they did give enough to make it very interesting for the management of the Indianapolis club.

Tipple is 24 years of age and six feet tall, weighing 170 pounds. He was born in Rockford, Ill. His first experience as a pitcher was with the Omaha club of the Western League. Indianapolis got him, and this year so far he has won eleven games and lost two, which is a very fine record for a young pitcher. However, though the Yankees are in need of pitchers, he won't be delivered to the club until the American Association season has closed. The New York club will be able to try him out for a few days before the close of the big league season.

### AUTO STAGE WILL RUN TO THIS CITY

ASHLAND, July 28.—Charles B. Howard started a stage line Monday between Ashland and Klamath Falls. He will leave Ashland Mondays, Wednesdays and Thursdays.

General passenger, express and light freight traffic will be handled by automobile. It has been several years since a stage has been run over Green Springs mountain. In former years the Klamath Stage with its four-horse teams was one of the picturesque reminders of the old West. The honk of the auto horn will now awaken the echoes which once responded to the tally-ho of the stage driver.

### BONANZA BRIEFS

Mr. and Mrs. Reed and daughter from Illinois are visiting Mrs. Reed's sister, Mrs. Lytle, while on their way to the coast to attend the fair.

Rev. and Mrs. Hall spent the first of this week visiting the members of the church at Dairy and Hildebrand.

The University of Oregon Concert company will be in Bonanza Friday, July 30, and give their concert and comedy program, including songs, recitations, a sketch entitled "The Moving of Effie," and the celebrated three act comedy, "The Rivals." The entertainment will be at 7:30 at Bauman's hall. Ice cream will be sold during the evening. This entertainment is under the auspices of the M. E. church, and it is hoped a large crowd will avail themselves of the opportunity to hear this high class entertainment.

Mrs. Parsons, Mrs. Hickman and Dr. Johnson were in the Falls Monday.

## A LITTLE SPORTING GOSSIP

### United Press Service

NEW YORK, July 28.—It looks like Boston for the American League flag. Late in July is rather an unseasonable time to go picking flag winners, but there is no denying that things are looking mighty sweet for Bill Carrigan's speed boys today. Speaker is hitting and Wood is in fair shape, backed up by five other members of the club who are laming the ball over 300, two others that are within a few points of the coveted mark, and a rip-roaring "chucking" staff.

What makes their chances look a whole lot better is the fact that Carrigan put his club out in front while on the road. That is a considerable feat, to which most managers will profanely attest. Back on their home grounds, those Red Sox should go through their enemies like a cop through a bunch of kids.

The White Sox are slipping, or already have slipped—your version depending on whether you like south of Madison street in Chicago. Of course they're very much in the race yet, and probably will be until October, but their chances for the pennant look 50 per cent slimmer this week than they did last. The young fortune Comiskey has spent to give Chicago a winner has been spent in vain, it appears.

Boston's real rival, it is conceded, is the Tigers. Detroit needs to be able to win at home and on the road with about the same consistency. However, the final test for Jennings' crew will come in a few days, when the club takes the road for a long series.

The race is between these three. Of that there can be no doubt, even though the memory of the Braves still is green.

Brooklyn is keeping close to the leading Phillies. Both teams must soon take the road, so there should be a stretch of pretty battling, speeded up by the lagging Cubs and Giants. The Cubs, however, seem to have hit the same greasy spot that scattered the Sox dope. With the one exception, Cincinnati, seven clubs are in the running for the old league rag, and query is "who's goin' to win?"

should be classed along with that ancient wheeze of "how old is Ann?"

The close race in the two old leagues has rather overshadowed a nice little battle in Jim Gilmore's Federal loop. Chicago, Kansas City, Pittsburgh and St. Louis are all bunched, and each of them stand about an even chance to cop.

Jake Daubert easily managed to stick out in front of the National League hitters. None of the positions changed during the week. Luderus of the Phillies, Merkle and Doyle of the Giants and Grohs of the Reds trail in the order named.

Eddie Collins of the White Sox was the batting speeder of the West, crawling up into second place, behind Cobb. The eminent Tyros, however, still has about 50 points lead in the Johnson loop, and it's a 100-to-1 shot he will have about as much when October breaths the tape.

Lee Magee and Bennie Kauff continue to lead the Federal sluggers.
