

U. S. LIKE HEIR AT DEATH BED

AMERICA IS WAITING TO SEE EUROPE DIE—WARNING GIVEN BY GERMAN PROFESSOR IN BERLIN

By CARL W. ACKERMAN

BERLIN (via The Hague), Aug. 5.—"America stands as the waiting heir at the death bed of a rich testator," declared Professor George Simmel, an authority on international politics, in an article in the Tageblatt, in which he asked whether Europe is to commit suicide to hasten "America's succession to the world throne."

Pointing to the rising American power, owing to the destruction of Europe, Professor Simmel declared there was plenty of room in the world for both Great Britain and Germany, "if England would only give up her short-sightedness." He suggested that with Germany and England working in harmony they could maintain peace and retain for Europe "a place in the front of the growing powers of America and East Asia."

"America stands as the waiting heir at the death bed of a rich testator. The sending of ammunition to Europe is the chief indication of this attitude," Professor Simmel said. "Europe sends a fortune to America and receives its equivalent which it blows in the air, or rather uses it for better execution of its suicide to hasten America's succession to the world throne."

"America places its arms into the hands of European nations, hoping they will kill themselves for its advantage, and then takes huge profits. This weakens Europe in two ways. Is Europe so insane as to commit harikari?"

Peerless Orchestra and six reels mixed program, Star tonight.

Dragging Woman from Eastland Wreck

Lifting Woman From Main Deck

Lifting Woman From Hole in the Hull

Dead women by the hundred were lifted from the main deck to the hull of the Eastland when she was wrecked in the Chicago River. Others were hoisted up from holes cut in the plates of the vessels. Few of them showed signs of life. The two in these photographs taken a few hours after the wreck, were dead, but had not died of drowning. Their clothing was dry, showing that they had been suffocated.

PORTLAND BANK HEAD IS TO HELP

PRESIDENT OF FIRST NATIONAL BANK WILL TAKE UP KLAMATH SITUATION WITH PRESIDENT OF PORTLAND CHAMBER

A letter received this morning by President E. D. Johnson of the Commercial Club of this city from A. L. Mills, president of the First National Bank of Portland, states that Mr. Mills is going to take up the Klamath situation with the president of the Portland chamber of commerce in an effort to have a special committee assist in the work that is being done here.

President Mills was in the city on the day of the first banquet held at the White Pelican Hotel in the interests of the reorganization of the local Commercial Club. He was informed of the railroad and general situation here, was an ardent booster for a good, solid Commercial Club such as has been formed here, and stated that he would heartily assist in aiding Klamath Falls.

The following is the letter received:

"On my return this morning from my trip to San Francisco I find on my desk your favor of the 23d ultimo. I am glad that I was of assistance in the good work of organizing the business men of Klamath Falls, and assure you I have not forgotten what was said at that time.

"Just the first moment I have to spare I will take up the subject with Mr. C. C. Colt, president of our chamber of commerce, to see if he cannot appoint a committee or delegate one of our standing committees to co-operate with your organization in Klamath Falls.

"As soon as I have had a conference with Mr. Colt I will advise you of the result.

"With best wishes for the prosperity of your committee, and thanks for your kindly words, I am, yours sincerely,
(Signed) "A. L. MILLS."

AMERICA FOUND BEFORE COLUMBUS

DISCOVERED IN 480 A. D., 1,078 YEARS BEFORE CHRISTOPHER LANDED ON OUR SHORES, SAYS BUDDHIST ABBOT

United Press Service SAN FRANCISCO, Aug. 5.—America was discovered in 480 A. D., 1,078 years before the time of Christopher Columbus, by five Buddhist monks from Gobins, China, declares Rt. Rev.

SPECIAL SCHOOL ELECTION AUG. 13

VOTERS OF DISTRICT NO. 1 WILL HAVE OPPORTUNITY TO EXPRESS OPINION ON WHETHER CHILDREN SHALL BE HAULED

A special school election will be held in District No. 1, August 13th, for the purpose of deciding whether or not the school board of this district shall haul students living outside the two mile limit to the schools during the winter months.

According to the state law, students living outside a two-mile limit from the schools shall not be hauled at the expense of the district unless the matter be put before the people and voted favorably upon by them.

These children live within the school district, but the board is not compelled to haul nor permitted to haul them by law, unless the voters of the district grant it. The election was provided for at the last regular meeting of the board.

KENO KEYNOTES

B. E. Kerns of the electric power plant has returned from the world's fair. He reports the fair much better than he expected. Mrs. Kerns will return later.

Mrs. Bristis of Oakland, a sister-in-law to Mrs. Matton, who has been visiting her for some time, has returned to her home in Oakland.

The work on the new school building is progressing rapidly. The painters and plasterers are at work this week.

Littler & Shriner, the contractors, are doing an excellent job of work on the new school building.

One evening recently a number of young people went into the river to bathe, and while there three of them nearly drowned.

R. W. Tower is trying out his new car.

Sam Padgett has gone to the Falls on business.

Brice McCormick is looking for the coyote that killed five of his young kids.

See Charlie Chaplin, Star tonight.

Moving Pictures

The Star theater program for tonight is of such a nature that it should please all moving picture fans. The program is varied, consisting of comedies, dramas, educational, topical and current events.

Charlie Chaplin will make his first appearance at the Star tonight, in one of his famous comedies. Marc McDermott is featured in a two part Edison comedy. The Hearst Selig Weekly, a Vitagraph and a Criterion comedy complete the picture end of the program.

The Peerless Orchestra will give their usual Thursday night concert, many new numbers, both standard and popular, will be introduced.

The management states that this is the best mixed program that has been billed at the Star in many months.

WILSON BRIDGE WORK PROGRESSES

ONE SIDE OF FILL IS NEARLY COMPLETE, AND CONCRETE WORK HAS BEEN COMMENCED. MAY BE FINISHED IN 90 DAYS

The work on the Wilson bridge, across Lost River, is progressing satisfactorily, according to County Judge Hanks, who made a trip to the bridge recently.

One side of the fill is practically complete now, and the crew is working on the other side. E. W. Smith has this contract, and also the contract for the bridge construction work.

Ambrogetti has the contract for the concrete work, and has a crew at work putting in the foundations for the bridge. Mr. Hanks stated that the fill ought to be completed with the concrete work in thirty days, when bridge construction can be started.

Six reel program, including Charlie Chaplin, Star tonight.

Visit Home in Indiana

Mrs. Marshall Taylor left this morning for a three months' visit at her old home near Terra Haute, Ind.
