# Speed Kings to Race for Cup and \$50,000

**United Press Service**  
NEW YORK, Sept. 30.—The greatest galaxy of speed kings ever gathered about one track will face the starter's gun here Saturday in the first 350-mile race for the Astor cup on the new Sheepshead Bay course. About thirty cars are scheduled to make the start, but it is probable there will be some eleventh hour withdrawals.

Hopes of an American made car carrying off the honors rest largely on the Stutz and Maxwell entries. There are four Stutz cars, two of them piloted by Earl Cooper and Gil Anderson, who finished first and second respectively in the recent Minneapolis race, and at Elgin they divided the two big road races between them. Eddie Rickenbacker in his Maxwell also is expected to make a bid for honors.

The Peugeot entries are considered the most dangerous—both the cars and their drivers. There are five of them, each with a driver of international fame—Dario Resta, Bob Burman, Howdy Wilcox, Johnny Aitken and Ralph Mulford.

Barney Oldfield and his well known cigar will be seen at the wheel of a Delage, and Ralph DePalma, who won the 500 mile race at Indianapolis last May, will pilot a Mercedes.

Besides the custody of the Astor cup, prizes aggregating \$50,000 will go to the winners.

The big oval has been pronounced by the drivers working in practice spins as almost perfect. The track-drome is constructed of wood, steel and concrete, and will accommodate nearly 200,000 persons. The course is two miles, with two straightaways and two banks.
