What the War Moves Mean

By J. W. T. MASON
(Written for the United Press)
NEW YORK, Oct. 22.—Amid contradictory reports it is not yet apparent that the central allies are beating the Serbs. They have taken points here and there, but the main Serbian defensive has not been taken.
Outwardly, their most important victory is the capture of Vranja, by which the Nish railroad is cut. But that place is 150 miles north of Salonika, and if the allies' relief expedition reaches as far in Serbia as that, cutting of the railway will make no difference.
The Austro-Germans have abandoned the Save and Drina offensives and are concentrating on a northeastern Danube offensive, a change of plans due to the pressing need of effecting a junction with the Bulgarians and assuring a single railway to Turkey. The allies' advance in Bulgaria does not yet threaten this railway, but both sides are preparing to race for it.
The Bulgarian invasion of Macedonia is progressing more favorably than elsewhere, but thus far constitutes so serious a menace. It is open to a dangerous attack from the allies, now holding Strumitza, for which probably a light mobile force is penetrating along the Istip line.
From the standpoint of reinforcements for the Turks, the situation at present is more encouraging to the entente allies than to the central allies.

WILLIS COMPANY WINS FIFTH TIME

AFTER FIVE CASES IN COURT, WILLIS FURNITURE COMPANY GETS JUDGMENT FOR FIRE LOSS FROM INSURANCE CO.
The Willis Furniture company of this city has finally received judgment for a fire loss sustained at Lakeview, February 5, 1913, after five cases in court. The amount involved was an insurance policy for \$5,000.
At the time of the fire Willis Furniture company had two stores, one at Lakeview and one at Klamath Falls. E. R. Willis and his father were the owners of both stores. The fire insurance company appealed the decision of the first suit on the ground that the fire was of incendiary origin, and that Mr. Willis had exaggerated the fire loss. He was proved innocent of all charges against him.
Two more times did the insurance company appeal the courts' verdict in favor of the furniture company, but on Tuesday of this week the matter was finally settled in the Supreme court. Rutenic & Kent of Klamath Falls and W. Lair Thompson of Lakeview represented the furniture company.

CRIPPLE MURDER PUZZLES POLICE

EXPERT SAYS SLAYER WAS SUB-NORMAL AND SEVERED HEAD OF CRIPPLE IN COLD BLOOD. WILL BE ARRAIGNED LATER
United Press Service
SAN FRANCISCO, Oct. 22.—The police are attempting to unravel the unsolved problems of the murder of the love-mad cripple Wednesday, who was beheaded by the woman with whom he was infatuated. The presence of a new trunk at the Pamel's flat caused the belief that it was the woman's intention to hide the body.
Experts differ as to the woman's mentality. One holds her as a sub-normal, and contends that she committed the murder in cold blood. She will not be arraigned for a week.
Tests will be made as to her mentality.

BIG EATERS GET KIDNEY TROUBLE

TAKE SALTS AT FIRST SIGN OF BLADDER TROUBLE OR BACKACHE
The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.
When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.
Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.
