**NATIONAL  
 PAY-UP WEEK  
 FEBRUARY  
 21 TO 26, 16**

**PAY-UP WEEK**

Next week, February 21st to Feb-  
 ruary 26th, has been designated by  
 the mayor of this city as "Pay-Up  
 Week." This is a catchy name that  
 has been given to this particular  
 week, but it designates exactly what  
 the week is to be. The proclamation  
 urges that every one that owes a debt  
 to make an earnest effort to pay it  
 during this week. The effect of such  
 an act is so far reaching that it is not  
 fully realized by the majority of peo-  
 ple. The payment of a debt by one  
 man to another enables the second  
 man to pay a third, and the third man  
 a fourth, and so on, and with practi-  
 cally the same money any number of  
 obligations may be wiped out, and at  
 the same time a large sum of idle

money is put into circulation and  
 prosperity is passed around.  
 This "Pay-Up Week" idea is not  
 one that can be offensive to any par-  
 ticular class or trade. The laborer  
 owes his supply man, the supply man  
 owes the wholesaler, the wholesaler  
 owes the manufacturer, and the man-  
 ufacturer owes the laborer. The circle  
 is complete, yet if one of the chain  
 fails to pay when his debt is due, the  
 circle is broken, and trouble comes  
 to all. With the purpose of starting  
 payment around many of these circles  
 "Pay-Up Week" was started. We  
 have bills to pay, and we want to pay  
 them, but we can not do so if those  
 that owe us do not pay us. Nor can  
 you pay what you owe unless you re-  
 ceive what is coming to you. So let's  
 all get busy next week and clear the  
 slate as far as we can.
