LOOTING THE CIVIL SERVICE

THE latest proposal on the part of the democrats to loot the civil service is contained in the bill (H. R. 11,424), presented by Representative Barnhart, of Indiana, the first section of which provides:
"That all clerks, assistant clerks, messengers, and assistant messengers of standing committees of the United States senate and house of representatives, and all clerks to senators and secretaries to members of the house of representatives, who are serving in such positions at the date of the passage of this Act, or who may hereafter serve for a period of two years or more, shall, upon the certification as to their eligibility by the senators and members of the house of representatives under whom such service is rendered, be appointed to positions under the federal government without regard to civil service rules and regulations."
This would provide for an army of invasion of the United States civil service at the rate of 2,000 employees a year, and it is suggested that the United States civil service reform league get busy immediately with a program of preparedness. The bill shows clearly that Mr. Barnhart sees the handwriting on the wall. If it could be shoved through during the present session of congress it would open the way for placing a great number of democratic pets on the permanent roll. It is noted that there is no limit to the number of employees a senator or representative may have at the time the bill is passed. Of course the republicans, true to their record on civil service reform, would repeal the law immediately after March 4th, 1917, but the pets of the Capitol would have been placed. Mr. Barnhart knows that if the democrats were to win there would be no necessity for such a measure, because the democrats pay no attention whatever to civil service. As an attempt at a grand coup this bill is the last word.

PREDICT DEMAND FOR POTATOES

UNITED STATES GOVERNMENT SAID TO BE BUYING HEAVY SUPPLIES ON COAST FOR THE MEXICAN CAMPAIGN
There is a general scramble for potato supplies in the country, and the potato market is quoted stronger. A report indicates that the United States government is buying heavy supplies along the coast for the troops to be used in the Mexican campaign.
No matter where the government purchases its potatoes for the Mexican campaign, the entire coast market will be thereby aided, although direct results will be shown at the places where the purchases are made.

SUBMARINE FOR EVERY 15 DAYS

STATEMENT OF THOMAS A. EDISON IS QUOTED IN CHARGE OF DILATORINESS ON PART OF THE NAVY DEPARTMENT

WASHINGTON, D. C., March 17.—"Give me the men, materials and plant, and I will build a submarine every 15 days."
The above statement was made to the house committee on naval affairs by Thomas A. Edison, member of the naval advisory board.
Representative Gardner of Massachusetts, on the floor of the house, demanded an investigation of the navy department.
"Battleships for which appropriations were made five years ago are still in course of construction," Gardner said. "The navy's dilatoriness should be investigated."

CHILD WELFARE EXHIBIT GOES ON TOUR APRIL 15TH

(Herald Special Service)
UNIVERSITY OF OREGON, Eugene, March 17.—From a picture of a little girl with a doll in her arms, and with her hair unbraided so that it crinkles down her shoulders, a slide has just been prepared in the University extension division. The child is 7 years old, but she is just beginning to walk. She would not be walking even now were it not for the Thursday Charity Club of Eugene and the physical training department for women at the University.
This slide and a number like it will form one of ten or twelve panels of a child welfare exhibit that is to be started over the state about April 15 by the Oregon Child Welfare Commission. The exhibit is to be on tour eight months. It is to go to towns that want it, and requests should be made to Mrs. Robert H. Tate, 1819 East Morrison street, Portland.
Women's clubs or other organizations that wish to help the child welfare movement may have the exhibit

thereof in the Evening Herald, a newspaper of general circulation printed and published at Klamath Falls, Klamath county, Oregon, by order of Honorable D. V. Kuykendall, judge of the above entitled court, dated and filed in said suit at Klamath Falls, Oregon on the 4th day of February, 1916, which order requires that this summons be published once a week for six weeks, the date of first publication being February 4, 1916.

Notice of Sheriff's Sale Under Execution in Foreclosure
D. Perozzi, Plaintiff,

vs.
John Conner and Nellie Conner, Defendants.

By virtue of an execution and order of sale, to me directed, issued out of the circuit court of the state of Oregon, in and for the county of Klamath, and dated the 9th day of March, 1916, in a certain suit in said court, wherein D. Perozzi recovered a judgment and decree for the sum of \$1,000.00 with interest thereon from the 11th day of March, 1913, at the rate of 8 per cent per annum, and \$150.00 attorney fees, and the further sum of \$17.75, costs and disbursements, which judgment and decree was entered and docketed in the office of the clerk of said court in said county and state, on the 29th day of February, 1916, in which suit D. Perozzi was plaintiff, and John Conner and Nellie Conner, defendants.

Public notice is hereby given, That in compliance with the commands of said decree, execution and order of sale, I will on the 8th day of April, 1916, at the hour of 10 o'clock a. m., at the front door of the court house in Klamath Falls, Klamath county, state of Oregon, offer for sale, and will sell at public auction to the highest bidder for cash, subject to redemption, as is provided by law, all the right, title and interest that Louise W. free. The panels will be in three hinged sections, each 2 1/2 x 5 feet. Pictures will be 12x14 and will illustrate some child welfare problem.
No lecturer will travel with the exhibit, but one may occasionally be had from the University extension division, in which case the pictures will be shown with a stereopticon. Otherwise the panels should merely be placed where the greatest number of townsfolk may inspect them. Fifty towns are expected to ask for the pictures.

Dearest Public:

Just returned from a two months' visit with Rip Van Winkle.
I was awakened by a freshet of love surging through my heart, and it was for you, dear. If you are ever going to "oo" this weather ort to bring it out on you. With the lovely things for spring, you should have some appropriate jewelry. The aquamarine and the bloodstone are the birthstones for this month. The aquamarine is a beautiful translucent stone of the color of the ocean's water (blue-green).
They are found in Siberia, Colombia in South America, and in Cocos county, Oregon. If you ain't got on yer birth stone you might as well quit the map, 'cause you ain't goin' to have any luck. The blood stone is a greenish opaque stone, with red blotches in it, which look like drops of blood.
The ancient Babylonians used the bloodstone as a talisman.
They are found in India, Scotland and Australia.
'Twas by the sea shore She stood at bay.
In her defiant eyes Was the glitter of steel.
He had kissed her and blistered her back.
Ain't so! the mean old cuss?
If it's jewelry you want, we have it.
If I should farm my heart out to you would you put a blister on it?
Next week we are going to add a link to our chain of thoughts, and in the meantime we'd like to "add-a-link" to your bracelet. We have links in gold and silver, two bits each.
I shall love you when your money is all gone, but I'll not be with you.
Dash over to 511 Main street, and see us if yer watch is sick.

BE PRETTY! TURN GRAY HAIR DARK

TRY GRANDMOTHER'S OLD FAVORITE RECIPE OF SAGE TEA AND SULPHUR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—adv.
