

RAILROAD, IN FACE OF BOOM,  
QUITS CARRYING PASSENGERS

LATROBE, Pa., April 12.—With Western Pennsylvania experiencing its greatest industrial boom, the Pittsburgh, Westmoreland & Somerset railroad today discontinued its passenger-carrying business.

Unless business picks up, officials said today, the freight business of the line will be discontinued, and the road will practically go out of business. It is a small line, but taps a rich section.

"Etna" is a very familiar word in the insurance field. Chlico represents all of the "Etna" companies. 11

To make room, we are closing out our line of traveling bags, suit cases and trunks at cost.

COFFEE FOR TWO. As yet life's a tale just for two, A plate for me and a plate for Sue—My bride and I.

White as her heart is the cloth between, Bright as her eyes the silver's sheen; And I gaze and try

To understand and to calculate Why I have won so much from Fate, As she who gazes with eyes of blue Across the table set for two.

Fragrant of dew-roses in her breast, Whiff from the urn; now, which is best? I scarcely know!

Sweet is the scent of the double rose, But oh, that sniff from the urn's bright nose Is surely so.

And smile from dearer and lips more sweet When seen through the shimmer of fragrant heat

From CHAS. & SANDOZ'S perfect brew Above our table set for two.

SAMPLE PREPAREDNESS

THE HEART glows with sublime emotions as one reads of the efforts congressmen and senators are making to get the country into a state of preparedness. Some gentlemen are more zealous than others, but to an observant eye it is pretty clear that patriotism is at a white heat in all of them, remarks the Portland Journal.

Their patriotism takes a not unusual American form. It is fat and greasy.

If the Washington delegation has its will that state will have four schools for training officers. Senator Jones modestly asks for both a military and naval academy, while Mr. Humphrey wants a naval academy and Mr. Johnson a military academy. Mr. Raker of California wants a "military and aviation academy." Mr. Stephens of California wants both a military and a naval academy. We suppose he would not object to taking pupils in aviation also at one of his institutions.

Lewis of Illinois wants a naval academy on the paradisaical shores of Lake Michigan "in the city of Chicago." Williams of Illinois wants a military academy "at some point in the state." Hayes of California wants another naval and aviation academy. Howell of Utah asks for both a military and an aviation academy. Overman of North Carolina wants an aviation school. Nelson of Minnesota wants a military academy at Fort Snelling.

And so it goes. When we are fully prepared we shall evidently have both naval and aviation schools in every hamlet and a military academy in every rural district. Whatever else our statesmen lack, their scent for pork is always keen.

FIGHT FILMS FIXED TO  
OVERCOME U. S. BARS

United Press Service  
NEW YORK, April 12.—Jimmy Johnson has prepared to exhibit in all parts of the country films of the Johnson-Willard fight being convinced he can do so under the federal and state laws.

The films were made on the boundary line between the United States and Canada. The promoters erected a tent across the boundary line and placed on the Canadian side the negatives which had been made in New York. On the American side was a camera which made a new film.

It is contended that this process evades all the laws prohibiting the exhibition of prizefight films. The pictures are declared to be excellent.
