COFFEE FOR TWO.

As yet it's a table just for two,
A plate for me and a plate for Sue—
My bride and I.

While as her heart is the cloth between,
Bright as her eyes the silver's gleam;
And I gaze and try to

To understand and to calculate
Why I have won so much from Fate,
As she who gazed with eyes of blue
Across the table set for two.

Fragrance of flowers in her breast,
While from the urn; now, which is best?
I scarcely know!

Sweet in the scent of the double rose,
But oh, that stuff from the urn's bright nose
Is surely so.

And smiles seem deeper and lips more sweet
When seen through the shimmer of fragrant
tea.

From CHAS. & SANDER'S perfect brew
Above all table set for two.

ARCHLY THE VOTER SMILED AND SAID: "WHY DON'T YOU SPEAK OF YOURSELF, JOHN?"

THE DAY of winning success in politics by muckraking and mud-slinging has long since passed away. Seeking to justify one's failures by placing the blame for these upon courts, juries and newspapers is also a method not popular now, if it ever was effective.

But some aspirants for county offices have the temerity to expect the people to vote for them after they hand out this brand of campaign fodder. Will they succeed?

During the past three years there have been called as jurors close to 400 men, men of recognized standing and integrity. They took an oath to try the cases solely upon the evidence submitted. Does the fact that an unsuccessful prosecutor has branded them as falsifying in their sworn statements make them perjurers, or does it arouse an honest indignation at such despicable means of seeking to shift the burden of inefficiency?

STUDENT EDITORIALS

BEGINNING MONDAY, the Herald will run a series of articles of an editorial nature written by the students of English in the Junior class at the Klamath County High School. These were submitted as a part of the regular high school course, and are well worth consideration.

The true method of judging the value of a school's curriculum is by the ability of its students. Give attention, therefore, to the logic and the expressive ability of Klamath County High School's students, as set forth in these articles, and you will be in a better position to pass fair judgment upon the efficiency of our schools.
