

Olcott's Opponent Is Well Known in Oregon

Charles B. Moore, of Portland, who has announced his candidacy for republican nomination for secretary of state, is one of the best known republicans in Oregon. For years he has been chairman of the republican state committee and as such has the friendship and support of working members of the party in every precinct.

Mr. Moore is a real Oregonian. His grandfather, Colonel I. R. Moore, represented Lane county in the territorial legislative assembly and in the Oregon constitutional convention. His father, John H. Moore, represented Marion county in the Oregon state senate.

Mr. Moore himself was speaker of the Oregon house of representatives in 1895, and has always been active in public affairs. He was appointed register of the U. S. land office at Oregon City by President McKinley, and served one term. For thirty-eight years he has been a trustee of Willamette University, of which institution he is a graduate. He also is a graduate of the law department of the University of Michigan. His four children were all educated in Oregon. A daughter at the Willamette and O. A. C., one son at O. A. C., and two at the state university.

A director of the Oregon Historical Society, president of the Oregon State Pioneer Association and a member of the dock commission of the city of Portland, he is laboring faithfully and with credit for the public welfare. He is a successful business man, and in his public activities and private life his record is absolutely clean.

During the two campaigns in which

Mr. Moore has been chairman of the state republican committee he has rendered great service to the republican party and is recognized as probably the best posted man on public affairs in the state, and remarkably well qualified to fill with credit the post to which he aspires.

While Mr. Moore has always been a regular party-man, in the best sense of the term, he has favored forward-looking policies and political progress. As speaker of the house he voted for woman suffrage back in '96, and has always championed the interests and ambitions of women. He favored and voted the initiative and referendum and the providence of the "Oregon System." As a member of the Portland dock commission, his record has been one of scrupulous fairness to labor, and has the approval of the friends of organized labor.

Republicans who are supporting Mr. Moore at the primaries dwell strongly on his excellent record, and at the same time point to the fact that his opponent, Ben Olcott, does not merit the support of republican voters as he has never been a friend of the party under which he now seeks re-election. It is pointed out that Olcott was originally appointed by Governor Oswald West, a democrat. Olcott managed, and is said to have financed, West's campaign.

While the constitution prohibits holding office for more than two terms, it is pointed out that Olcott, if elected, would be in office for ten years. He was appointed for two and then elected for four years, so that if elected, while not violating the letter of the constitutional provision as it has been interpreted, he would be violating its spirit by holding office for more than eight years.

Moving Pictures

Like all the celebrated and popular stars of the Famous Players Film company, including Mary Pickford, Marguerite Clark, Pauline Frederick, Hazel Dawn and Marie Doro, John Barrymore came to the screen with every faculty for success in his possession. Youth, an abundance of

talent that may even be termed genius, grace, an attractive personal appearance and intelligence, made screen success as certain as was his popular record on the stage. The comedy successes in which he has previously been presented on the screen indicated what a far greater triumph he had attained as a film star than the stage could ever provide, but his greatest ability is represented in his next appearance under the management of the Famous Players Film company on the Paramount program, "The Incurable Dukane," the current feature attraction at the Star tonight. A story with comedy, drama and romance, each in itself an important element in the plot, and combined, constituting a photoplay of unusual appeal, "The Incurable Dukane" is one of the strongest features released in some time. John Barrymore achieves a triumph rare even to a Famous Players star.

SAGE TEA TURNS GRAY HAIR DARK

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR

That beautiful, even shade of dark glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred fold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

DOUBLE TREAD TIRES

Your Junk Tires Made to Run 3,000 to 5,000 Miles More
Our method will save you 75 per cent of your tire cost. We will give you a double strength casing, practically puncture, blow-out and weather proof. Send us two of your old junk tires and we will combine them into one thoroughly serviceable casing.
The cost is insignificant from point of mileage, especially in view of the fact that new tire prices are soaring. It figures a small fraction of a cent a mile, whereby you save the price of a new tire. If you have several we will be able to re-tire the four wheels of your car. If you have only one we will furnish the other. They have proven their value to our many customers. One wheel will number you among them.
