PUBLIC EDUCATION

THE PUBLIC school is one characteristic American institution; no matter how insignificant the community may be, it has and must have a public school. Provision was made for public schools in advance of every other form of local self-government, and to this day in most states the same form of school organization is preserved that was in existence when present thickly populated and wealthy communities were frontier settlements.

Of course, the present rural and village schools are in some, perhaps in many, respects superior to the schools of early days; yet they fall far short of meeting the needs of their communities. In rural schools, especially one of two defects are commonly found; either the teacher is a former student of the school or of a similar school, with a horizon no wider than that of her pupils; or she is a pupil from a city school, with no conception of nor taste for country life, and with a horizon, though different, for all practical purposes, even narrower than that of the teacher educated in the country school.

Education—teaching—is a profession that requires special fitness, either natural or acquired; and the hiring of a teacher, the judging of her ability as an educator, demands a knowledge in some respects similar to that required of the teacher herself. A position on the board of education should be a post of honor, not of ornament; of distinction, rather than political preference; and the proper filling of that position demands good judgment, impartial justice, impartiality and non-partisanship, qualities not possessed by every good citizen. There is no position of greater importance in its relation to community welfare than that of school director or commissioner, and every community development organization should interest itself in securing the election of capable members of the school boards.

CLEAN UP

By OCTAVIA DE LAP Klamath County High School Student IF EVER any town needed this advice, it is Klamath Falls. If we would take as much interest and care in the cleanliness of the town as we do of our persons, how much better the general appearance of the town would be.

We are used to the looks of our town and do not realize what a bad looking place it really is. A stranger coming into town would be so repelled by the looks of the place he would immediately go back from whence he came, unless he was looking for a job as street cleaner and thought he might make the city officers see the need of one.

Our best boast and advertisement would be to make this place a desirable one in appearance as well as in climate, money-making opportunities and other Klamath possibilities.

However, if we can, by contract, make our yards so beautiful that even our officers can see how dirty the public places are, perhaps we can induce them to clean up those places. So let us make our town beautiful, for it remains with us to do so.

If lawns, flowers and other beautifiers are too expensive, plant cabbage. They look better than cans, boxes, boards and other trash. Buy your tools and get to work.

Scattered Shots

IT APPEARS, from the eleventh hour statements of the politicians, that the majority is a matter between Mason, Crysler and Lyle, with one of these sure to win.

FORD'S PEACE PARTY is not the only harmony gathering to break up inharmoniously.

HERE'S HOPING, for the sake of progress and civic pride, that the Shippington road question carries by a big vote.

WITHOUT THE GOOD old "reward to voters" stowed away in some back room, it doesn't seem like a real election. There's a noticeable lack of spirit since the state went dry.

BUY NO MATTER who is elected, don't neglect longer the work of putting up proper house numbers.

By PHILEAS

About ninety students of the local high school, with the alumni, gave a dance at Houston's opera house Friday evening for the benefit of the K. C. H. S. athletic fund. All those present enjoyed themselves, and the dance ended with everyone satisfied. The music of the evening was furnished by the Peerless orchestra. Members of the committee were John Houston, Joe Avery, Wade Short and Rollin Stitzer. As a result of the affair a fund of \$35 was raised.

The first dancing party after Lent to be given at the Elks' home will be held Friday evening. This will be a L. M. P. year affair, in charge of the ladies, and cards and dancing will be the feature of entertainment for Elks and their ladies. Mrs. Floyd M. White is the committee chairman, with the following committee members: Mrs. O. M. Robertson, Mrs. E. B. Henry, Mrs. Will W. Baldwin, Mrs. Wesley O. Smith, Mrs. Louise Gerber, Mrs. E. R. Keames, Mrs. Fred H. Mills, Mrs. Charles Martin, Mrs. Charles I. Roberts, Mrs. J. Frank Adams of Merrill, Mrs. Lindsey C. Slesmore of Fort Klamath, Mrs. Frank Ankeny and Miss Maude Baldwin.

Monday night was the occasion for a party to be a long remembered by a number of local girls, given at the L. R. Robertson, A. D. Miller and Mrs. Rose Torrey homes in Hot Springs Addition. This was a progressive party, in keeping with Easter, and also a birthday party for Cornelia Robertson, Constance Miller and Eleanor Torrey. The guests were bidden to come attired to represent some "Mother Goose" character, and the costumes

were all unique and attractive. At the Torrey home, dinner was served at 6 o'clock, with the dining room tastefully decorated, yellow and white being the colors used. Following the dinner, the guests repaired to the Robertson home, where a fairyland was arranged for them. Here a witch told the fortunes of each, and many games were enjoyed. A return was made later to the Torrey home, where "Jack Horner's pie" was discovered, and each guest, "ticking in a thumb," pulled out a plum in the form of a noise making device, bringing the evening of unalloyed joy to a noisy close. The guests were Myler Calkins, Dorothy Sanderson, Dorothy Miller, Vera Woods, Dorothy Martin, Vera Martin, Anna Hackland, Esther Haines, Elizabeth Cress, Jean Perry, Elizabeth Grigsby, Geraldine Watt, Lois and Ruth Chitwood, Vera Hanks, Lucille Beckley, Neva Faught, Lucille Elliott, Christine Murdoch, Miriam Martin, Edith Montelius, Beatrice McAndrews, Freida and Pearl Belva, Virginia Skelton, Frances Humphrey, Florence Bradley, Cornelia Robertson, Eleanor Torrey and Constance Miller.

The dancing party to be given Thursday night by the ladies of the Sacred Heart church promises to be a most enjoyable affair. In addition to the dance, there will also be a special May dance number, concluding with a Maypole dance. Sixteen young ladies are being trained for this by Miss Alice Blackford, and the big affair at Moose hall will be well attended. The May dance will begin about 9:30, and a small charge will be made to see this to those not desiring to participate in the dancing. The ladies in the May dance are Miss Dorothy Weeks, Miss

Alice McCourt, Miss Gertrude Seeley, Mrs. Philip J. Sinnott, Mrs. Joseph P. Brett, Miss Josephine Van Riper, Miss Lillian Van Riper, Miss Mae Maguire, Miss Helen Maguire, Miss Estel Manneman, Miss Esther McAndrews, Miss Elinor Dreher, Mrs. Emil Dreher, Miss Pearl Bolvin, Miss Mabel Martin, Miss Ione Steinman, Mrs. H. Roland Glaisyer and Mrs. Vernon T. Motschenbacher. The floor committee members are Joseph P. McAllister, Cecil Weeks, Clarence Motschenbacher, Rhinehart Motschenbacher, Emil Dreher, M. Salinas, Carl Schubert and Chas. Coffey. A luncheon will be served late in the evening.

Since the call was issued in the Herald a few days ago for the women to form a branch of the French relief committee, there has been much interest shown by the women. The first meeting will be held at the Bolvin building, on Main between Fifth and Sixth streets, at 2:30 tomorrow afternoon, and all women are asked to be present at that time. The work of preparing bandages for the wounded soldiers of Europe will be carried on systematically through this organization.

A Woman's Back

The Advice of This Klamath Falls Woman is of Certain Value

Many a woman's back has many aches and pains. Oftentimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective. Many Klamath Falls women know this.

Read what one has to say about it: Mrs. G. C. Lorenz, 1129 Lincoln street, Klamath Falls, says: "I used to suffer a great deal from a dull pain across my kidneys. At times, my back ached so badly that I could hardly work. Whenever I overdid or strained my back, I was in greater misery than ever. My kidneys were also more or less irregular in action. I finally began using Doan's Kidney Pills, and they overcame the trouble in my back. In every way, now, I am a strong, healthy woman."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same Mrs. Lorenz had. Foster-Milburn Co., Props., Buffalo, N. Y.

MY TIRED FEET ACHED FOR "TIZ"

LET YOUR SORE, SWOLLEN, ACHING FEET SPREAD OUT IN A BATH OF "TIZ"

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunions-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath.

When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions.

There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture.

Get a 25-cent box of "Tiz" from any drug or department store. Don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear a size smaller if you desire.—Adv.
