

## BULGARS PREPARE FOR ATTACK FROM ALLIES IN GREECE

BRISK ARTILLERY FIRE IS REPORTED

Settling Between the French and Germans for Outer Verdun Positions Continue With Same Intensity, Although French Advices Say It Is Believed Germans Are About to Abandon the Fight for Paris.

United Press Service  
SALONIKA, May 11.—Brisk artillery action is reported along the northern Greek front.

The Bulgarians south of Monastir are preparing their defenses. They expect a strong attack from the allies.

United Press Service  
BERLIN, May 11.—A repulse of the French attacks about Verdun, and further German successes on Hill No. 304 are reported in the official statements.

The French assaults withered under machine gun and artillery fire, the French losses being considerable. Nearly 1,000 prisoners have been taken by the Germans on Hill No. 304 this week.

## LOTS OF FISH GO OVER SPRAGUE DAM

H. W. Hinks, engineer with the Indian Reclamation Service department, is down from Chiloquin with his family. He states that many fish are going over the dam on Sprague river.

There has been some fear felt by the people around the Ely country that the fish would not be able to get over the dam and that the excellent fishing in that section would be injured.

Mr. Hinks states that he and Agent Freer counted the fish and made an estimate. They figure that about 20,000 fish a day are passing up over the dam.

## American Mixes in the Irish Rebellion

James M. Sullivan, former American minister to Santo Domingo, before which he was a New York lawyer and a friend of William J. Bryan, has been arrested in Dublin on some charge in connection with the Irish rebellion.

## MILLER HILL HAS CANDIDATE MEET

ALL ASPIRANTS FOR OFFICE WERE GIVEN ALL THE TIME THEY DESIRED, AND SEVERAL WERE QUESTIONED

About fifty people met at Miller Hill school house last evening to hear the qualifications of the candidates enumerated. The fact that this meeting had been postponed twice kept many away who would otherwise have been there.

Unlimited time was allowed the candidates and they were asked to tell why they were seeking office. A few candidates were questioned on matters pertaining to beliefs, etc., but the meeting was free from any mud-slinging which has characterized past meetings.

John Irwin and C. M. O'Neill were not present.

Motor Replaces Gas.  
Telford Brothers have just installed electric motors in their automobile shop, to replace the gasoline engine formerly used to run their machinery.

## ANOTHER TEXAS RAID REPORTED; INFANTRY TO BE GIVEN HORSES

United Press Service  
MARATHON, Tex., May 11.—Texas authorities are convinced that an organized system of raids by Mexicans is being executed along the border. Fifty raiders last night stormed Blocker, Texas, looting stores and two ranches. There were no fatalities.

The countryside, as a result, is up in arms.

The Eighth cavalry camped last night on Mexican soil. It is following the raiders who attacked Glen Springs.

Lieutenant Colonel Alvarez, a captured raider, has promised to lead the Eighth cavalry to where Jess Deemer and Monroe Payne, Americans, are held prisoners. Alvarez claimed to be a Carranza officer, but the Carranzista consul repudiated him.

United Press Service  
WASHINGTON, D. C., May 11.—Following the state department's action in instructing consuls to warn Americans to leave all parts of Mexico, reports compiled show there were only 3,000 there recently. This number has probably been reduced since, on account of developments.

The reiteration of Carranza's insistence that there be a time limit placed upon the American occupation of Mexico is causing some uneasiness. Secretary Baker is optimistic, however, following the latest word from General Scott.

## GOVERNOR LAUDS LOCAL BOY GETS HIGHEST HONORS

J. HARDIN CARTER, PRESIDENT OF DENTAL SOCIETY AT S. C. U., IS ALSO NAMED DELEGATE TO GRAND CHAPTER

J. Hardin Carter, Klamath boy, who is a senior at the dental college of the University of Southern California, was recently elected to represent his fraternity, Si Omega, at the national convocation in Louisville, Ky., on July 10th.

Carter is a senior, and holds the office of president of the College Dental Association, the highest student honor to be acquired in his department. His appointment as national delegate is a high honor, as he represents not only the University Chapter, but the Alumni chapter of Los Angeles as well.

Carter is the son of Mr. and Mrs. Oscar L. Carter of this city. He attended Klamath County High School, graduating in 1912, after being prominent in athletics at the school.

## WATER USERS TO HOLD SOME MEETS

"GET-TOGETHER" SESSIONS TO BE HELD OVER THE PROJECT BY THE BOARD OF DIRECTORS OF ASSOCIATION

The board of directors of the Klamath Water Users Association is planning to hold "get-together" meetings of the members of the association in different localities of the project during next week.

Monday, May 15, at about 7:30 in the evening, the meeting will be held in the Lower Poe Valley school house; Tuesday evening at Malin; Wednesday evening, at Merrill, and Thursday evening at Mt. Laki school house.

It is hoped that the water users will see that the meeting places are in readiness on the nights mentioned, and let every one circulate the information. Business of the association, regarding which every water user should be informed, will be discussed.

## Gentlemen, Look Upon the Lady Rookies

## BIGBEE WIRES HE WILL PLAY HERE

CRACK HEAVER OF LAST YEAR'S KLAMATH AGGREGATION WILL BE HERE IN TIME FOR SUNDAY'S CONTEST

Manager Watt of the local baseball club today wired transportation to Lyle Bigbee, star twirler on last year's club. With this information for the local fans, local baseball stock is booming.

Bigbee is perhaps the fastest pitcher ever seen in this section, and he can play the outfield equally as well. His hitting will help the team wonderfully, and his record for last year is still too well known to need any comment.

Bigbee leaves at once for Klamath Falls, and will be here for Sunday's game with the Yalnox Indians. This is to be the last practice game of the season, the Weed game being advanced a few weeks to allow Weed time to complete her line-up.

However, the addition of three new players on the Reds' team does not assure any walkaway for the home guard and, anyway, the admission is only two bits, and it helps the boys to have a good turnout in the stands and bleachers, so come and look the "wrecking crew" over.

Bring Trout Eggs.  
Deputy Game Warden Henry Stout and Henry Ketsdever returned last evening from a trip to the Lake county fish hatchery. They brought over four boxes, about 300,000 trout eggs, for shipment to the central hatchery at Bonnaville.

## CHINA LATEST TO PROTEST AGAINST IMMIGRATION LAW

WANTS EQUAL RECOGNITION WITH OTHERS

Chinese Minister Calls on Secretary of State, and Says His Country's Chief Objection to the Immigration Bill is That They Want Same Standing as Other Nations—Senate Committee to Decide Matter.

United Press Service  
WASHINGTON, D. C., May 11.—Chinese Minister Koo today told Secretary of State Lansing that American Chinese are vigorously protesting against the restriction placed upon Chinese in the new immigration bill. He requests elimination of some of these restrictions.

China, according to the minister, demands recognition as equal people.

She will not insist upon the change to secure immigration rights, but wants to be recognized as an equal republic. He says China is willing to have her subjects excluded if the exclusion bill will also apply to other Orientals.

It is understood that the Chinese contentions have been sent to the senate committee on immigration.

## SAYS BURDICK IS CORPORATION MAN

CRESCENT PAPER SAYS YOUNG CANDIDATE TOO LONG, WITH CENTRAL OREGON IMPROVEMENT COMPANY

It is becoming apparent that Denton G. Burdick, who is out for nomination for state representative in opposition to Vernon A. Forbes, is the candidate of the Central Oregon Irrigation company of Bend. Mr. Howard, manager of the company, is said to have been most active in bringing Mr. Burdick out, and it is known that he is much interested in seeing Burdick win.

One reason for this, is because Mr. Forbes has been the attorney for the settlers in many of their squabbles with the company, and Howard is therefore hostile to him. It is further pointed out that Burdick has been, and presumably still is, an attorney for the C. O. I. company, having acted in many cases with Jesse Stearns as joint counsel.

It has been hinted that those associated with other big Carey Act projects will throw their support to Burdick. Forbes is not popular with them because he has taken the settlers' side in battles of the past, as opposed to the corporations.—Crescent News.

## Hurrah! Hurrah! Klamath Candidate is the Leader

Miss Waive Jacobs, Klamath Falls' candidate for Queen of the Portland Rose Festival, has regained the lead in the statewide contest. The latest count shows the standing as follows:

- Waive Jacobs, Klamath Falls, 230,258.
  - Louise Taylor, Portland, 207,032.
  - Mildred Pegg, Vancouver, 200,410.
  - Jewell Carroll, Portland, 198,961.
  - George Jackson, McMinnville, 183,265.
  - Beatrice White, Corvallis, 179,322.
  - Mrs. Maud Gilman, Portland, 164,107.
  - Muriel Saling, Pendleton, 149,074.
  - Edyle Fraasch, Eugene, 148,699.
  - Rose L'plegrove Oregon City, 140,699.
  - Ellen Hendrickson, Portland, 138,821.
  - Anna B. Allan, Portland, 107,227.
  - Marion Anderson, Albany, 91,867.
  - Annabelle Crawford, Portland, 60,000.
  - Lucile Johnson, Portland, 23,000.
- The many local supporters of Miss Waive are highly elated at her big gain, and they are bending every effort this week to boost her still higher. Those intending to help Miss Jacobs,

who have thus far neglected doing so, should buy their votes without delay, for until Saturday night a dollar spent this week has six times the usual vote purchasing power.

Friends of the candidate are therefore working harder than ever this week. They already have a good fund raised, and if the flood continues, the Klamath candidate will have a big lead.

The excursion to Upper Lake points Sunday will be another means of boosting Miss Jacobs' standing. Tickets are now being sold, and all money received before Saturday night will be used to purchase votes, taking advantage of the extra 1,000 with each \$1 worth of votes. Tickets can be bought at the Commercial Club, at the Hall hotel, and at some of the local business houses.

The excursion vessel will leave the dock Sunday afternoon, making a tour of Upper Lake points, a trip well worth while.

## SPECIAL BOUNTY STILL IN FORCE

COURT, HOWEVER, LOWERS SPECIAL PRICE TO \$2.50 PER COYOTE—THIS IS EFFECTIVE UNTIL FIRST OF JUNE

At a meeting of the Klamath county court, the special bounty on coyotes killed in Klamath county was continued for another thirty days, or until June 1st. As a result, there is an added incentive for the killing of coyotes, and many young pups will be killed off.

The court, however, lowered the special bounty from \$5 to \$2.50 per coyote. This, with the regular \$1.50 bounty paid jointly by the state and county, places a price of \$4 on the head of every coyote in Klamath county.
