men will march from the loop to the Coliseum, the scene of the republican convention, equipped with signs and banners demanding an insertion of a plank in the G. O. P. platform for equal suffrage.

The G. O. P. and the Moose local committees have been busy putting the finishing touches on their preparations for the convention. The republicans opened their headquarters at the Coliseum this week.

The building will be decorated in gala fashion. The speakers' stand will be in the south end of the building. Arrangements have been completed to accommodate 11,000 people.

The press will occupy the first 700 chairs encircling the speakers' plat-

form. The 985 delegates will follow and beyond them will be seated as many alternates. The rear end of the main floor and the balconies will take care of the spectators.

James B. Preston, head of the press gallery in the senate, arrived here on Monday from Washington and laid out the final plans for the Auditorium Theater, the stamping ground of the progressives.

This building will hold 4,000. The speakers' chair will be placed on the stage, which has been lengthened and widened to be able to hold 250 seats for the press in front of the speaker. About 500 seats will be embanked in the rear and in the wings for spectators.

Behind the press seats will be 700 delegates and as many alternates. The balconies will accommodate the spectators.

Fred Upham, chairman of the local convention committee of the G. O. P., has been given 2,000 seats which are called "the mazuma tickets." In other words, these pasteboards will have to be sold for \$100,000 with which to pay the convention expenses.

Three-fifths of the amount already has been subscribed. On the other hand, George F. Porter is asking \$25 a seat to pay the expenses of the Moose convention.

Sergeant-at-Arms Stone will have 2,000 assistants at the G. O. P. convention, besides the help of 250 of "Chicago's finest," headed by Assistant Chief of Police Schuetzler.

There will be 1,000 sergeant-at-arms at the progressive convention. Police ambulances will be in attendance at all times, as well as Red Cross corps and two full companies of the fire department.

WOMAN 104 TODAY TELLS HOW TO LIVE THAT LONG

United Press Service
MADISON, Wis., May 23.—Mrs. Louis Brayton celebrated her 104th birthday today. Mrs. Brayton never rode in an auto and never saw a movie. She knows little of the frivolities of the present day. She is in full possession of her faculties.
Mrs. Brayton says the secret of longevity is to "keep good hours; not forget your spiritual life in the pursuit of worldly things, be regular in everything you do, and above all be true to yourself."

FACT

Local Evidence

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Klamath Falls fact. You can test it.

Mrs. M. E. Sevits, 105 Sargent street, Klamath Falls, says: "I was subject to kidney disorders for eight or ten years and about six years ago I had quite a bad spell. I had a weak feeling across the small of my back all the time. I couldn't stand very long as my back was so lame. My kidneys were in a very weak condition and the secretions caused me much annoyance. I was so nervous and restless that I had to get up in the middle of the night and sit up for hours at a time. My feet and ankles swelled up so badly that I could hardly get on my shoes. I took about six boxes of Doan's Kidney Pills and they cured me. Since then I have enjoyed splendid health."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's—the same that cured Mrs. Sevits. Foster-Milburn Co., prop., Buffalo, N. Y.—adv.

STRAHORN ROAD TO LINK UP LINES

SURVEYS MADE AND RIGHTS-OF-WAY BOUGHT TO WESTERN PACIFIC JUNCTION—WORK IS TO COMMENCE SOON

CEDARVILLE, Calif., May 23.—Chief Engineer Bogue of the Strahorn railroad project, or the Oregon, California and Eastern line, has been obtaining rights-of-way in the Surprise valley, south from Cedarville to Flannigan, Nev., at the crossing of the Western Pacific and the Fernley and Lassen road.

As soon as the citizens of Lakeview, Ore., provide the necessary rights-of-way through their section, so the engineer can determine the actual route north of Cedarville, the work of obtaining rights north of Cedarville to the Oregon town will be commenced.

There are three surveys leading north from Cedarville, of which two pass through Pandango canyon toward Lakeview, and the third goes out through meadow land, and the deeds provide for the fencing of the land by the railroad and the building of culverts. It is provided in the deeds that if the road is not in operation within twenty-four months the property will revert to the grantors.

If the residents of the Lakeview section give the necessary rights-of-way, a route through Pandango pass will be used, but if they fail the route will pass through Warner valley.

Chief Engineer Bogue refuses to state which railroad his line will make connection with at Flannigan, but declares construction crews will be working from Bend, Ore., on the Hill system, to Flannigan, Nev., the day the deed for the last right-of-way is made.

SEASON TICKETS FOR CHAUTAUQUA

SALE OF SEASON PASSES IS TO BEGIN ON SATURDAY—SPECIAL RATES FOR SCHOOL CHILDREN AND HIGH SCHOOL STUDENTS

From June 3 to 8 inclusive will be held the second annual assembly of the Klamath Chautauqua Association. Both afternoon and evening programs of unusual merit will be rendered. Music, lectures, impersonation and other features will make our 1918 Chautauqua memorable.

If single admission tickets are purchased for the whole course the cost will be \$6, but under our season ticket arrangement these twelve splendid entertainments can be enjoyed by any person at a cost of \$2.50. Season tickets will be sold to high school students for \$1.50 and to children below high school grades for \$1. Not only do the children's tickets admit the children to the twelve entertainments but also to the junior chautauqua. This feature will be especially enjoyable to the children up to the fifth grade.

The children's tickets will be sold at the Sugar Bowl only, and the sale will open Saturday morning at 9 o'clock. Chautauqua hats will be given to the girls and war bonnets to the boys as long as the supply lasts.

The adult season tickets will be sold at the Bonboniere, the Star Drug Store, the Klamath Transfer company, Van Riper Bros. and Underwoods Drug Store. The residence districts will also be canvassed. Out of town people are asked to address Mrs. C. P. Stewart for such tickets as may be desired. Please send check with order and tickets will be mailed at once.

Through the generosity of Mrs. C. P. Stewart, arrangements are being made for the care of young children during the hours of the afternoon entertainments. Two competent women will be in charge of the nursery from 2 to 5 each afternoon.

The future of Klamath Falls as a chautauqua town depends upon the financial outcome of this assembly. Never before has there been offered our people so much high class entertainment at so small a cost. The contract requires the sale of 500 season tickets. It also requires an advance in the price of season tickets to \$3 at noon of the first day. The association gets 25 per cent of the gate receipts and 25 per cent of season ticket sales over \$50, to meet local expenses.

"TIZ" FOR TIRED AND SORE FEET

USE "TIZ" FOR ACHING, BURNING, PUFFED-UP FEET AND CORNS OR CALLOUSES

Good-bye, sore feet, burning feet, swollen feet, tender feet, tired feet. Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudations which puff up the feet. Use "Tiz" and wear smaller shoes. Use "Tiz" and forget your foot misery. Ah! how comfortable your feet feel. Get a 25-cent box of "Tiz" now at any druggist's or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded. —Adv.

Drill hall is directly opposite the vestibule, as one enters the armory. On the first floor, directly to the left, is the local bureau of information, installed in the museum room, and beyond this the credentials headquarters, in the veterans room.

The board of officers room, on the right, is practically the only one in the building untouched by things biennial—the dignity of the armory shall be preserved by this, and by the offices of the superintendent and assistant superintendent. The local biennial board is housed in the N. C. S. room, and the local committee in the equipment room, the General Federa-

tion Bureau of Information in the field and staff room, and the checking of clothes and valuables is going on in two committee rooms thrown together. Luncheons are being served on the third floor in the mess room, band room and library. The kitchen and serving room and lift are untempered with, since they fit so well into the plans exactly as they are.

A tea room has been constructed out of the field music locker-room. In the great meetings in drill hall the delegates have the body of the hall, the alternates the seats at one side, and the state chairmen the seats on the other. Women who come under neither one of these three heads have seats in the gallery.

GENERAL LYON, T. R. APOSTLE, LOOMS LARGE IN TEXAS G. O. P.

United Press Service
FORT WORTH, Texas, May 23.—General Cecil Lyon, friend of T. R., is expected to loom large in the republican state convention which opened here today.

It is no secret that the general has been doing missionary work among the republicans and progressives and has sought to line up every Bull Moose-er of prominence in the state. It was chiefly through Lyon's influence that the joint meeting of the state executive committees of these two parties here several weeks ago terminated in a veritable love feast.

YOUR BANK DEPOSITS ROLL UP

Surprisingly if you make it a rule to pay by check only, and deposit all your cash at the First State and Savings Bank. Then you stop to think before you buy, and in many cases thinking means refraining. Ambition to have a good balance prevents many a spending, and thus your deposits roll up.
