

# Fear of Allies Caused the Dutch Mobilization

United Press Service  
**THE HAGUE, May 12.**—(By mail)—Despite the statements of certain pro-English newspapers, it is now known authoritatively that it was for fear of the allies, and not of Germany, that prompted the Dutch government to take war-like measures a month ago.

Certain reports reaching the Dutch government about steps taken by the allies at the Paris economic conference caused grave concern here.

The minister of war informed newspapermen that the government was expecting an economic crisis of great importance, though he refused to go further in his statement.

Evidently in anticipation of sharp measures by the allies, the government

chartered several steamers and sent them to America for wheat.

Measures taken by the British government to enforce the blockade of Germany are steadily becoming more irritating to the Dutch.

This does not mean, however, that the anti-German feeling of the greater part of the people of Holland has been lessened.

Hollanders are generally convinced that Germany has respected Dutch neutrality in this war only because she depends upon Holland for her food supplies.

The people blame high food prices upon Germany because exportations to the kaiser's realm have lessened the supply here.

The people of Holland want to be let alone by both sides.

## CHAUTAUQUA WORK IS WELL UNDER WAY

ADVANCE MAN IS HERE HELPING WITH ARRANGEMENTS, AND PAVILION IS BEING PREPARED FOR THE CROWDS

Allen R. Nieman who is the forerunner of our 1916 Chautauqua, has arrived in Klamath Falls, and is on hand to help the local association in any way that he can. He is full of en-

Allen R. Nieman

thusiasm for the program this year. In the last four weeks that the Chautauqua has been going in California this season, they have been received with enthusiasm and each day the crowds have grown in numbers and spirit.

Nieman says that the choosing of the pavilion at Fourth and Klamath is a good move for the weather here may be too cool for the evening programs. The Pavilion is being put into shape for the opening program Saturday afternoon. President E. C. Richards of the local committee has appointed a committee of ladies to look after the decorating of the platform. Men started work this morning to place the seats, so everything will be in shape for the opening Saturday afternoon at 2:30.

J. L. White, who is to be our superintendent for the week is a brother of C. H. White, president of the Ellison-White system. He will be found a fine man to deal with, and glad to listen to any suggestions that may be helpful to Chautauqua.

Miss Joy Harmon, who is to have the kiddies in charge this year is especially fitted for the "King Arthur's Court." This work is founded on the old story, "The Idylls of a King." Every boy and girl attending on a child's season ticket will be either a prince, knight, princess or lady. One boy will be elected king and one girl will be elected queen, and the closing of the "court" will be a pageant when all the children will take part and their parents will be there to see what they have learned during the week.

## Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and tenards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headaches, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.—Adv.

## Why That Lame Back?

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Klamath Falls resident's example.

F. L. Uhrin, 111 Sargent street, Klamath Falls, says: "I was down with lumbago. For a day I couldn't move, as my back pained me so. It came on without warning. It felt as though my back was broken. I had only taken two doses of Doan's Kidney Pills when I was able to get about. One box permanently cured me of lumbago, for I have never had any return of the trouble for two years."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Uhrin had. Foster-Milburn Co., Props., Buffalo, N. Y.—adv.
