

# California Women Latest With Preparedness Camp

United Press Service  
 SAN FRANCISCO, June 1.—Washington's women's training camp isn't such a much. A squad of girls from San Francisco's most exclusive society circles went into camp here today as soldiers in the east cantonment of the Presidio. They are to be taught how to be Amazons, and here is their daily stunt:

At 6 a. m., reveille; dress within thirty minutes; powder, fancy hair and beauty spots barred; uniform, khaki skirt, shirt waist, elkskin boots and

campaign hat; drill for half an hour to get up an appetite. Eat at the general mess table with 250 other women, all strangers. Make beds, get lunch ready for instant preparation, be ready for first aid class at 8.30.

All morning to learn how to wrap "him" dummies in 157 varieties of bandages.

Noon, lunch.

From 1 to 4, forced marching; 4 to 6, visitors; 6, dinner; 7, assignment of sentries and inspection, and at 10 o'clock, taps.

# LUMBER GAME IS LIKE THE REST

TO SELL THEIR STOCK, LUMBERMEN MUST USE PRINTERS' INK, SAY SPEAKERS AT THE BIG CONVENTION

United Press Service  
 CHICAGO, June 1.—More extensive newspaper and magazine advertising is essential to the future of the lumber industry, from toothpicks to houses, according to every speaker at the Lumbermen's national convention here today. The day's speakers included Jas. Kelley, editor of the Chicago Herald, who talked on Publicity, and the other phases of the merchandising problem all hinged on the same general question of advertising the products of the sawmills. A dozen papers on this subject in its various forms were presented. The speakers were: E. E. Pratt, chief of the bureau of domestic and foreign commerce; Dean H. P. Baker of the New York State College of Forestry at Syracuse; Franklin E. Wentworth, secretary of the National Fire Protection Association; J. S. Hamilton of Portland, Ore.; Frank D. Chase of Chicago; F. A. Good of Cowles, Neb.; J. E. Moorhead of Kansas City, and Warren E. Bullock of Milwaukee.

# The German-Americans Oppose Teddy and Wilson

United Press Service  
 CHICAGO, June 1.—"German-Americans unreservedly against both Theodore Roosevelt and Woodrow Wilson for president of the United States," was the slogan Illinois German-Americans expect to plant in the minds of the officials of every German-American alliance.

"Opposition to Wilson and Roosevelt is an Illinois German-American idea, and we expect to promulgate it throughout the United States," Dr. Hermann Gebhard, chairman of the political committee declared today.

"I know the man I want to see pres-

ident," Dr. Gerhard said. "I may get a chance to vote for him." He would not say who his choice is.

"I do not believe the republicans will nominate Roosevelt, and unless Wilson is nominated on the first ballot I don't believe he will be nominated."

## SHASTA VIEW NOTES

The past few days of sunshine have partially thawed the old time smile on the ranchers' faces, which was frozen out by the recent sleet winter. They find rye and a few blades of wheat were strong enough to withstand the severe test, minor crops not having dared to peep out of the ground yet.

Judging from the coughing and whooping on all sides of us, we think our little valley is too well supplied with this epidemic. We hope nothing serious will result from it.

R. Madsen, the genial piano salesman from Klamath Falls was calling on people in this vicinity Saturday, spending the night at F. H. Jobsa.

Rev. Cowley of Merrill was obliged to disappoint his congregation as Shasta View Sunday afternoon, on account of a disabled horse.

Some of our sandy roads are in very bad condition, autos frequently getting stalled. Just have patience, brothers, as we understand a portion of this is soon to be improved.

Miss Helen Jobsa is taking lessons on the violin from our able instructor, M. Dobry.

Mr. and Mrs. Voss of White Lake visited their daughter, Mrs. Ben Dadel and family the first of the week.

A. F. Crossfield, who is representing Ward's Medical company, is calling on people of our vicinity this week.

**PINE GROVE PICKUP'S**

The Pine Grove Industrial Club met last Friday afternoon. After the members had reported on the work they have done a short program was rendered.

S. C. Icenbice was called to his old home in Idaho, to the deathbed of his sister.

Mrs. Breitenstein and son Arthur, and Mrs. Icenbice and son Clem, will leave Klamath Falls today to visit relatives and friends in Iowa and Minnesota.

The Anti-Can't Sunday school class gave Miss Hazel Arant a surprise party on her birthday last Saturday evening. The evening was spent in a very enjoyable manner.

Mrs. Lyle E. Badfield and Mrs. L. Dixon visited their mother, Mrs. S. E. Icenbice last week.

Miss Donna Mack has been visiting in town this last week.

Miss Emma Murray has gone to the Falls to spend the summer vacation.

The Civic Club meets with Mrs. E. M. Miller this afternoon.

Wasco will vote on \$250,000 county road bonds.

northerly to the southerly line of the U. S. government irrigation canal, also from the northerly line of the U. S. government irrigation canal northerly to the intersection of Eleventh street, Upham street and Worden avenue, thence westerly on Upham street to the intersection of Prospect street, including intersections; the proposed improvement to be made includes the grading of said street to establish grade to a width of 35 feet and hard surfacing said street to a width of 35 feet over all, including curbs, with either bitulithic or oil macadam; all of said proposed improvement to be made together with the materials to be used in accordance with plans and specifications of the city engineer on file in the office of the Police Judge of said city, reference thereto is hereby made for further details regarding plans, construction, materials and quantities.

Said improvement will be let in one contract, and bids will be received for bitulithic pavement and for oil macadam, and will be opened for consideration by the Common Council on the 5th day of June, 1916, at the hour of 8 o'clock p. m. Bidders will be required to submit bids on blanks prepared by the city engineer, and bids will not be considered unless so submitted. Bids may be obtained at the office of the Police Judge.

The successful bidder will be required to give bond in a sum to be fixed by the Common Council for the faithful performance of the contract to be entered into for making said improvement. Each bid must be accompanied by a check, certified by some responsible bank for 5 per cent of the amount bid, as a guarantee that the

successful bidder will enter into contract with the city for the making of such improvement, within ten days from the date of the award.

The Common Council reserves the right to reject any and all bids, and to make such improvement on behalf of the city.

Dated at Klamath Falls, May 19, 1916.
