HUGHES COINS A NEW WORD FOR BATTLE SLOGAN

"UNDILUTED AMERICANISM" IS PLATFORM

Tells Bull Moose Leader That He Wants Support on His American Policy—Roosevelt to Work for Pro-Paradness—Wilson's Speech at West Point Echoes Some of Hughes' Statements Made on Saturday Afternoon

United Press Service

NEW YORK, June 12.—Charles R. Hughes, in talking to the reporters today, coined a new phrase, "Undiluted Americanism." This, it is predicted, will become the Hughes campaign slogan.

Oscar Strauss, one of Roosevelt's closest friends, telegraphed Hughes that he is urging the progressives to support him. "Anybody supporting me must support a thorough-going American policy," said Hughes.

Roosevelt came up from Oyster Bay today to meet his son Kermit and wife, who arrive today from Panama on the transport Kirkpatrick.

United Press Service WEST POINT, June 12.—Addressing the graduation show at the United States Military Academy today, President Wilson said in part: "Undoubtedly it is America's duty to be prepared for war. The world is going to realize that when America speaks she means just what she says."

Wilson also promised to uphold the Monroe Doctrine. "Nobody who fails to put America first can consort with us," said he in speaking on Americanism.

MISS WAIVE JACOBS AND HER FATHER ARE HOME FROM ATTENDANCE AT THE BIG SHOW. LOUIS SEES PROSPERITY

Miss Waive Jacobs, Klamath maid of honor in the Portland Rose Festival, and her father, L. Jacobs, who accompanied her, returned last night from Portland, loud in their praises of the splendid treatment accorded them.

Jacobs, while in Portland, talked railroad, transportation, tourist and factory matters with prominent men of that city. He returns thoroughly convinced that Central Oregon, especially Klamath, is on the eve of wonderful development.

Bids Are Asked on the Shippington Highway

At least the Shippington highway is on its way. The council last night passed Councilman Matthews' motion to advertise for bids for the pavement of the road. The bids are to be opened June 20th.

The macadam and a combination of bitulithic and rock are the materials for the pavement of the main trunk road. Crushed rock will be used on the branch connecting the highway with the county road to Pelican City.

The route, as approved in the resolution, is as follows: Oregon avenue from Delta street to Nevada avenue; Nevada avenue to California avenue; California avenue to Front street; Front street to Frederick street; Frederick street through block 3 of Shippington Addition to the center line of Hamark street.

compared to 9,220 feet in the original route, and it furthermore lowers the total construction cost because it eliminates the branch road to the boat landings, a distance of 2,797 feet.

Engineer Zumwalt estimates the cost of the trunk road along the new route at \$19,853 for oil macadam, 16 feet wide, and \$21,193 for bitulithic paving 8 feet wide, with four foot rock shoulders.

The Shippington highway connects the lumbering district of Shippington and the Upper Klamath boat landings with the main portion of Klamath Falls. It will make it possible for the men earning \$50,000 to \$80,000 a month to come here to do their trading, for their children and families to enjoy church, high school, library and social privileges here, and for tourists and others to reach the boat landing for Upper Lake scenic resort points over a suitable highway.

The road is to be improved at general expense. The property owners voted in favor of the improvement at a special election last month.

SUCCESSOR FOR HUGHES TO WAIT

SUPREME COURT ADJOURNED YESTERDAY UNTIL OCTOBER, SO THERE'S NO RUSH—IS SURE TO BE A DEMOCRAT

United Press Service WASHINGTON, D. C., June 12.—President Wilson has not yet begun consideration of a successor to Justice Hughes on the supreme bench.

Because of his recent survey of available lawyers prior to the appointment of Justice Brandeis it was said at the White House today that it would be easy for the president to make up his mind quickly, but as the supreme court recessed yesterday until October it was thought likely he would not hurry in making a choice.

War Bulletins

United Press Service PETROGRAD, June 12.—The Russian advance is continuing unchecked. The Austrians have been demoralized by the stunning defeat administered them.

It is estimated that over one-third of the Austrian strength has been killed, wounded or captured. The new Russian line has forced a deep wedge into the Austrian defenses toward Kovel. This seriously endangers the German lines near Riga.

United Press Service LONDON, June 12.—King George VI, Queen Mary, members of the royal household and many British peers, soldiers and statesmen attended the memorial in honor of the late Earl Kitchener today at Saint Paul's Cathedral. Thousands stood outside in the rain, with bare heads. Many wore deep mourning.

United Press Service SOFIA, June 12.—In military quarters at the Macedonian front and in political circles here the opinion is expressed that, while an offensive move on the part of the entente forces at Saloniki is not out of the question, such a maneuver would be devoid of all prospects of success if undertaken with fewer than fifty army corps, or about 2,000,000 men.

British forces are today launching an attack against the new German positions on the heights to the southwest of Ypres.

In the eastern theater, according to the statement, German artillery has dispersed the Russian cavalry southeast of Dubna. The attacks of the Russians around Strypa are also checked.

A Russian aeroplane was captured last night near Podhayse.

United Press Service PARIS, June 12.—It is announced that the Germans in night attacks along the Meuse last night penetrated the advanced French trenches east of Hill No. 321.

All other German attacks were repulsed. The German infantry yesterday charged all along the entire sector west of the Thiaumont farm.

Logging Operations Are Ruining Scenic Highway

Motorists and the motoring public are up in arms over the destruction of the roads around the west side of Upper Klamath Lake by the logging and timber companies, who are using the roads for the purposes of hauling timber and logs.

Heretofore there has been but little complaint, as the lumber and logging companies have constructed their own roadways, and have been careful not to injure or damage the public highways in their logging operations, but the present condition of the west side drive is such as to arouse indignation.

It is pointed out by the local people that this drive is one of the most scenic and most beautiful drives in Klamath county, and is a favorite route to Crater Lake and the northern part of Klamath county. A great deal of the taxpayers money has been spent in the past to make this road passable, and now to have this money wasted and the road made impassable by logging operations, which are wholly

for the benefit of private parties, to the detriment and damage of the public, is something that will not be acquiesced in without a fight.

At one place a logging chute has been extended clear across the road, completely blocking it, and the public must detour around through the brush and over rocks and stumps to get back on the highway. At least one broken spring is the result of one motorist attempting to drive over this road last Sunday. From Rock Creek to a point behind Odessa the road is almost impassable, and it is pointed out that should anyone meet with an accident on account of the condition of this road that the county would be called upon to defend a damage suit.

The touring season is just opening, and it is expected that hundreds of roadside cars will desire to pass over this road this summer. Klamath county has been extensively advertised as a summer paradise, and the tourist trade
