FORTY-ONE SIGN UP FOR FORMING MILITIA COMPANY

PELICAN BAY PLANT HAS EIGHT LISTED

Interest in Formation of National Guard Company Increases, and Those Interested Expect a Sufficient Number Will Be Secured in a Few Days—Departure of Third Infantry for Border Significant.

Eleven more names were added to the list of those who will present themselves for enlistment if a national guard company is formed here. In addition to the thirty mentioned in last night's Herald, the following have signed up:

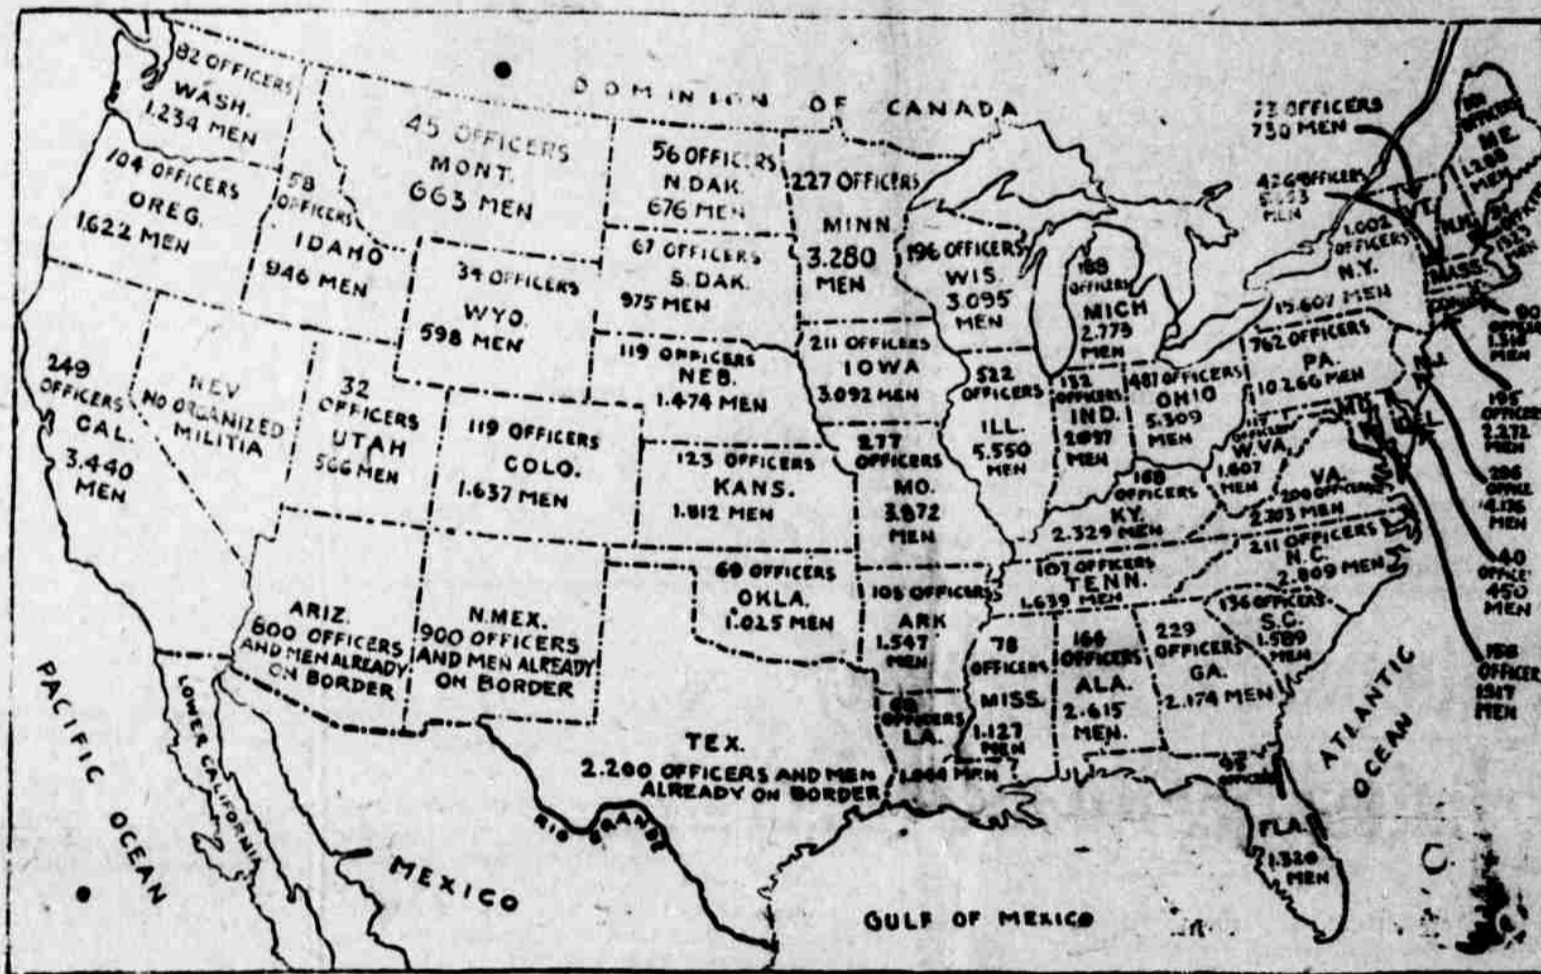

Elmer Mills, Clyde K. Brandenburg, John B. Goldy of Merrill, Kieth K. Ambrose, T. F. Mauring, H. L. Pritchard, A. M. Pike, M. F. Holland, D. L. Rightmeyer, C. T. Oliver, Ed Owens.

Persons desiring to join the proposed company should call at the Herald office, the Commercial Club, upon some member of the recruiting committee, composed of J. B. McAllister, Philip J. Elliott, Dr. E. D. Johnson, Dr. W. A. Leonard, W. F. Arant or E. R. Reames, or give their names to Lester L. Terwilliger, Virgil DeLap, or any of the boys who have signed up. It is necessary that this be done as soon as possible, so the matter of organization may be definitely settled.

The Pelican Bay Lumber company's employees are responding readily, as five of the names mentioned in today's list are employees of the company, besides J. B. McAllister, C. D. Taylor and J. V. Corkery, already listed.

Owing to the departure of the Third Oregon to the border, there is apparently sufficient cause for the formation and instruction of a troop or company here, with a view to being of service later on.
